

Technical Advisory Ad Hoc Committee (TAC) Agenda
September 23, 2020
11:30 a.m. to 1 p.m.
VIRTUAL HEARING

The TAC advises the Development Services Department (DSD) on improvements to the development review process using communication, technology and best business practices to reduce processing times and better serve its customers and citizens of San Diego. TAC meetings support #DigitalDSD, a DSD initiative to modernize its workplace systems and cost-effectively leverage technology to increase productivity and improve service delivery. This ad hoc committee will meet through December 2020 and serves to provide feedback on this process. Users of DSD's permitting systems are welcome to participate and provide comments on this effort.
