Re: February 24, 2022 agenda, Item 2 – P-37-012581

Chair McCullough, Board members and staff,

Item 2 – P-37-012581 - Save Our Heritage Organisation (SOHO) concurs with the staff report and finds archaeological site P-37-012581 significant under Criterion A as a special element of La Jolla and San Diego's archeological and cultural development. Composed of a significant number of cultural material deposits and having a history of excavations that date back to the 1920s which have yielded important archaeological data, the site has a high level of importance that contributes to better understanding the settlement, inhabitancy, and prehistoric use of this coastal area.

Thank you for the opportunity to comment,
