9005 Aero Drive, San Diego, CA 92123
11:30 AM
Agenda:

1. Approval of March 15th Meeting Minutes.
2. Public Comment on any item not on the agenda.
3. Mail and other items received since the last meeting.

Informational Item:

4. James Botica (Project Manager w/the City of San Diego, Engineering & Capital Projects Department) is seeking a federal environmental permit (NEPA) from the FAA to construct new aircraft hangars for the San Diego Fire-Rescue Air Operations crew, at Montgomery-Gibbs Executive Airport. Part of the environmental permit process is a 30-day public comment period, which will allow the community to view draft permit documents and provide any comment to the City of San Diego and permitting agency. James' team would like to inform the community group of the upcoming 30-day period, and provide information on where and how to find the documents during the process.
