COMMUNICATIONS:

- 1. City Council District 5 – Councilmember Marni von Wilpert (Quinton Grounds provided a written report that was read):** “The new Fiscal Year has begun and the new budget included significant infrastructure repair funding that we’re currently advocating to see used in District 5. We’ve also worked with our fellow Council offices to dedicate \$200K to SDPD specifically for dragnet operations to combat illegal racing, sideshows, and exhaust. While a little farther south, we also saw the ADA improvements for Jerabek Park fully funded and are looking forward to seeing it into the next phase.”
- 2. City Mayor Todd Gloria (Emily Piatanesi provided a written report that was read):**

Homelessness

- The Safe Parking Program was approved by City Council on Monday June 27th, 2022. This will expand hours at the Mission Valley site to 24 hours. This will allow more individuals to access a safe parking space and a connection to service providers.
- Zero bail is no longer in effect, meaning we can more effectively enforce the city codes including, encroachment and illegal lodging.
- The City of San Diego’s Homelessness Strategies and Solutions Department recently launched a new website. This website extensively details our office’s direction on homelessness, I would encourage anyone with questions to visit this: <https://www.sandiego.gov/homelessness-strategies-and-solutions>
