**Re: Request For Continuance—“Nina Bowden/Architects Mosher Drew House,”
7960 La Jota Way, La Jolla, California; HRB Agenda For April 25, 2024 (Item-4)**

Dear Chair Hutter & HRB Members:

Along with the Applicant in this matter, IS Architecture, I represent Daniel and Carrie Aisen, owners of the above-referenced property (“Property”).

As the Board is aware, there exist several important, rather complex, issues related to the significance and designation of the Property.

Therefore, on behalf of the Aisens, I respectfully request a thirty (30) day continuance to the May 23, 2024 meeting. A continuance will allow us sufficient time to fully review and carefully evaluate the HRB Staff Report (Report Number HRB-24-018, dated April 11, 2024) and prepare a detailed presentation in support of our designation nomination.

Thank you for your kind consideration of our request.

Respectfully,

Scott A. Moomjian
