

**COOPERATIVE PROCUREMENT CONTRACT BETWEEN
THE CITY OF SAN DIEGO
AND
CALIFORNIA SURVEYING AND DRAFTING SUPPLY, INC.
FOR LAND SURVEY PRODUCTS AND SERVICES, TRIMBLE BRAND**

I. RECITALS

A. San Diego Municipal Code (SDMC) section 22.3208 authorizes the City of San Diego, a municipal corporation (City), to use a cooperative procurement contract awarded by another agency where the City's Purchasing Agent certifies in writing that the cooperative procurement contract is in the City's best interests, to the City's economic advantage, and the agency's contract was awarded using a process that complies with the policies, rules, and regulations developed and implemented by the City Manager.

B. The State of California Department of General Services (Agency) issued an invitation to bid for land survey products and services, solicitation no. 0000018073, by posting the solicitation on the California State Contracts Register "<https://caleprocure.ca.gov>" at least ten days before the bids were due.

C. On October 26, 2021, based on the results of the competitive process, Agency awarded a contract with California Surveying and Drafting Supply, Inc. (Contractor) and executed the Statewide Contract with Contractor, identified as Contract No. 1-21-66-03, (Agency Agreement), attached as Exhibit 1; and

D. On May 18, 2023, the City's Purchasing Agent certified in writing that the Agency Agreement meets the requirements set forth in SDMC section 22.3208.

E. Contractor has agreed to provide to City the same pricing offered to Agency for goods and services consistent with the terms and conditions in the Agency Agreement except as modified herein.

II. GENERAL PROVISIONS

In consideration of the above recitals and mutual covenants and conditions set forth in this Contract, and for good and valuable consideration, the sufficiency of which is hereby acknowledged, City and Contractor hereby agree to the terms and conditions as set forth in the Agency Agreement with the exception of the following modifications:

1. Incorporation. This Contract shall fully incorporate the Recitals which the parties agree are true and correct.

2. Effective Date. This Contract is effective on the last date that this Contract is signed by City and Contractor and approved by the City Attorney through August 25, 2024. The City may, in its sole discretion, extend this Contract for two (2) additional one (1) year periods, subject to the restrictions in San Diego Charter section 99 and the Agency's Agreement exercising its options to extend.

3. Early Termination. Contractor must provide written notice within ten (10) calendar days of the date in which the Agency Agreement is terminated to the Contract Administrator identified in Section III, below. Such written notice must explain the basis for termination and the date upon which the termination is effective. Early termination of the Agency Agreement by Agency or Contractor, or failure by Agency to exercise an option to extend the Agency Agreement, shall not in any way affect the existence of this Contract.

4. Compliance with Controlling Laws. Contractor shall comply with all applicable local, state, and federal laws and regulations. In addition, Contractor shall comply immediately with all directives issued by City or its authorized representatives under authority of any laws, statutes, ordinances, rules, or regulations.

5. Governing Law. The Contract shall be deemed to be made under, construed in accordance with, and governed by the laws of the State of California without regard to the conflicts or choice of law provisions thereof.

6. Jurisdiction and Venue. The venue for any suit concerning this Contract, the interpretation of application of any of its terms and conditions, or any related disputes shall be in the County of San Diego, State of California.

7. Modifications. The modifications described in Exhibit 2, which is attached hereto and incorporated herein by reference, shall affect only the page(s) and section(s) and terms and conditions referred to therein. All other terms and conditions of the Agency Agreement shall be in full force and effect as to City and Contractor as incorporated in this Contract.

III. CONTRACT ADMINISTRATOR

1. Contract Administrator. The Department of Engineering and Capital Projects (Department) is the Contract Administrator for this Agreement. Contractor shall provide the Services under the direction of a designated representative of the Department as follows:

John Butcher
9573 Chesapeake Drive San Diego, California 92123
858.627.3208
jbutcher@sandiego.gov

2. Notices. Unless otherwise specified, in all cases where written notice is required under this Contract, service shall be deemed sufficient if the notice is personally delivered or deposited in the United States mail, with first class postage paid, attention to the Purchasing Agent. Proper notice shall be effective on the date of personal delivery or five (5) days after deposit in the United States postal mailbox. Notices shall be sent to:

Purchasing and Contracting Department
Attention: Taylor Cox, Senior Procurement Contracting Officer
1200 3rd Avenue, Suite 200
San Diego, CA 92101
CoxTJ@sandiego.gov

IV. COMPENSATION

1. City shall pay Contractor for the goods or services provided in accordance with this Contract in an amount not to exceed \$3,000,000. Contractor is not obligated to provide goods or services in excess of this amount, and does so at its own risk, unless this Contract is amended in writing to increase this not-to-exceed amount and duly executed by City and Contractor in accordance with the terms of the Contract. .

2. Annual Appropriation of Funds. Contractor acknowledges that the contract term may extend over multiple City fiscal years and agrees that work and compensation under this Contract is contingent on the City Council appropriating funding for and authorizing such work and compensation for those fiscal years. City may terminate the Contract if sufficient funds are not duly appropriated and authorized for any given fiscal year, or if funds appropriated and authorized for this Contract are exhausted before the fiscal year concludes. City is not obligated to pay Contractor for any amounts not duly appropriated and authorized by the City Council.

V. CONTRACT

1. Contract Documents. This Contract consists of this Contract and its Exhibits, which are attached as Exhibits hereto and incorporated by reference (collectively, “Contract Documents”). These documents together contain all the terms and conditions of the Contract between City and Contractor.

2. Amendments. Neither this Contract nor any provision hereof may be changed, modified, amended, or waived except by a written agreement executed by duly authorized representatives of City and Contractor. Any alleged oral amendments have no force or effect. The Purchasing Agent must sign all Contract amendments.

3. Contract Interpretation. The Contract Documents completely describe the goods and/or services to be provided. Contractor shall provide any goods or services that may reasonably be inferred from the Contract Documents or from prevailing custom or trade usage as being required to produce the intended result whether or not specifically called for or identified in the Contract Documents. Words or phrases which have a well-known technical or construction industry trade meaning and are used to describe goods or services will be interpreted in accordance with that meaning unless a different definition has been provided in the Contract Documents.

4. Precedence. In resolving conflicts resulting from errors or discrepancies in any of the Contract Documents, City and Contractor will use the order of precedence as set forth below. The document in highest order of precedence controls. Inconsistent provisions in the Contract Documents that address the same subject, are consistent, and have different degrees of specificity, are not in conflict and the more specific language will control. The order of precedence from highest to lowest is as follows:

- | | |
|-----------------|---------------------------------------|
| 1 st | This Contract |
| 2 nd | Agency Agreement |
| 3 rd | Contractor’s Response to Solicitation |
| 4 th | Agency’s Solicitation and any Addenda |

5. Counterparts. This Contract may be executed in counterparts which, when taken together, shall constitute a single signed original as though all parties executed the same page.

6. Public Agencies. Other public agencies as defined by California Government Code section 6500 may choose to use the terms of this Contract, subject to Contractor's acceptance. City is not liable or responsible for any obligations related to a subsequent agreement between Contractor and another public agency.

VI. CITY'S ADDITIONAL TERMS

1. Reserved.

2. ADA Certification. Contractor shall comply with the City's Americans with Disabilities Act Compliance/City Contracts requirements as set forth in Council Policy 100-04, which is incorporated into this Contract by reference.

3. Non-Discrimination Ordinance. Contractor shall not discriminate on the basis of race, gender, gender expression, gender identity, religion, national origin, ethnicity, sexual orientation, age, or disability in the solicitation, selection, hiring or treatment of subcontractors, vendors, or suppliers. Contractor shall provide equal opportunity for subcontractors to participate in subcontracting opportunities. Contractor understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, or other sanctions. Contracts between Contractor and any subcontractors or suppliers shall contain this language.

4. Compliance with the City's Equal Employment Opportunity Outreach Program (EOCP): Contractor shall comply with the City's EOCP requirements. Contractor shall not discriminate against any employee or applicant for employment on any basis prohibited by law. Contractor shall provide equal opportunity in all employment practices. Prime Contractors shall ensure that their subcontractors comply with this program. Nothing in this Section shall be interpreted to hold a prime Contractor liable for any discriminatory practice of its subcontractors.

5. Compliance Investigations. Upon City's request, Contractor agrees to provide to City, within sixty calendar days, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past five years on any of its contracts that were undertaken within San Diego County, including the total dollar amount paid by Contractor for each subcontract or supply contract. Contractor further agrees to fully cooperate in any investigation conducted by City pursuant to City's Nondiscrimination in Contracting Ordinance. Contractor understands and agrees that violation of this clause shall be considered a material breach of the Contract and may result in remedies being ordered against Contractor up to and including contract termination, debarment, and other sanctions.

6. Equal Benefits Ordinance Certification. Unless an exception applies, Contractor shall comply with the Equal Benefits Ordinance (EBO) codified in the San Diego Municipal Code (SDMC). Failure to maintain equal benefits is a material breach of the Contract.

7. Business Tax Certificate. Unless the City Treasurer determines in writing that a contractor is exempt from the payment of business tax, any contractor doing business with the City of San Diego is required to obtain a Business Tax Certificate and to provide a copy to the City before any contract is executed.

8. Product Endorsement. Contractor shall comply with Council Policy 000-41 which requires that other than listing the City as a client and other limited endorsements, any advertisements, social media, promotions or other marketing referring to the City as a user of a product or service will require prior written approval of the Mayor or designee. Use of the City Seal or City logos is prohibited.

9. Contractor Standards. Contractor shall comply with Contractor Standards provisions codified in the SDMC. Contractor understands and agrees that violation of Contractor Standards may be considered a material breach of the Contract and may result in Contract termination, debarment, and other sanctions.

10. Noise Abatement. Contractor shall not operate, conduct, or construct within City's jurisdictional limits in violation the City's Noise Abatement Ordinance codified in SDMC sections 59.5.0101 through 59.5.0301.

IN WITNESS WHEREOF, this Contract is executed by City and Contractor acting by and through their authorized officers.

1. SCOPE

The State's contract with California Surveying and Drafting Supply, Inc. (Contractor) provides Land Survey Products, Trimble Brand at contracted pricing to the California Department of Transportation (Caltrans), the Department of Water Resources (DWR), and participating State and local agencies in accordance with the requirements of Contract # 1-21-66-03. The Contractor shall supply the entire portfolio of products as identified in the contract and will be the primary point of contact for data collection, reporting, and distribution of Land Survey Products, Trimble Brand to the State.

The contract term is for three (3) years with an option to extend the contract for two (2) additional one (1) year periods or portion thereof. The terms, conditions, and prices for the contract extension option shall be by mutual agreement between the Contractor and the State. If a mutual agreement cannot be met the contract may be terminated at the end of the current contract term.

2. CONTRACT USAGE/RULES

A. State Departments

- The use of this contract is mandatory for the Caltrans Office of Land Surveys (OLS) and the DWR Geomatic Branch and available for use by other participating State and local agencies. Use of this contract by State departments other than Caltrans OLS and the DWR Geomatic Branch require approval from the State Contract Administrator.
- State departments must adhere to all applicable State laws, regulations, policies, best practices, and purchasing authority requirements, e.g. California Codes, Code of Regulations, State Administrative Manual, Management Memos, and State Contracting Manual Volume 3, as applicable.
- Prior to placing orders against this contract, State departments must have been granted IT purchasing authority by the Department of General Services, Procurement Division (DGS-PD) for the use of this statewide contract. State departments that have not been granted purchasing authority by DGS-PD for the use of the State's statewide contracts may contact DGS-PD's Purchasing Authority Management Section by e-mail at pams@dgs.ca.gov.
- State departments must have a Department of General Services (DGS) agency billing code prior to placing orders against this contract. Ordering departments may contact their Purchasing Authority contact or their department's fiscal office to obtain this information.

B. Local Governmental Agencies

- Local governmental agency use of this contract is optional.
- Local government agencies are defined in Public Contract Code Chapter 2, Section 10298 (a) (b) and 10299 (b); this includes the California State Universities (CSU)

Contract Mandatory 1-21-66-03, *Supplement 6*
Contract User Instructions

and University of California (UC) systems, K-12 schools and community colleges empowered to expend public funds for the acquisition of products While the State makes this contract available to local governmental agencies, each local governmental agency should determine whether this contract is consistent with its procurement policies and regulations.

- Local governmental agencies shall have the same rights and privileges as State departments under the terms of this contract. Any local governmental agencies desiring to participate shall be required to adhere to the same responsibilities as do State departments and have no authority to amend, modify or change any condition of the contract.
 - A DGS issued billing code is not required for local governmental agencies to place orders against this contract.
- C. Unless otherwise specified within this document, the term “ordering agencies” will refer to all State departments and/or local governmental agencies eligible to utilize this contract. Ordering and/or usage instructions exclusive to State departments or local governmental agencies shall be identified within each article.

3. DGS ADMINISTRATIVE FEES

A. State Departments

The DGS will bill each State department an administrative fee for use of this statewide contract. The administrative fee should NOT be included in the order total, nor remitted before an invoice is received from DGS.

Current fees are available online in the [Price Book & Directory of Services](https://www.dgs.ca.gov/OFS/Price-Book) (<https://www.dgs.ca.gov/OFS/Price-Book>) (go to Price Book Download and click on Purchasing under Procurement Division).

B. Local Governmental Agencies

For all local government agency transactions issued against the contract, the Contractor is required to remit the DGS-PD an Incentive Fee of an amount equal to 1.25 percent of the total purchase order amount excluding taxes and freight. This Incentive Fee shall not be included in the local governmental agency’s purchase price, nor invoiced or charged to the local governmental agency. All prices quoted to local governmental agencies shall reflect State contract pricing, including any and all applicable discounts, and shall include no other add-on fees.

4. SB/DVBE OFF-RAMP PROVISION

There is no SB/DVBE off ramp associated with this contract.

5. EXEMPT PURCHASES

There are no exempt purchases associated with this contract.

Contract Mandatory 1-21-66-03, Supplement 6
Contract User Instructions

6. PROBLEM RESOLUTION/SUPPLIER PERFORMANCE

Ordering agencies and/or Contractor shall inform the State Contract Administrator of any technical or contractual difficulties encountered during contract performance in a timely manner. This includes and is not limited to informal disputes, supplier performance, outstanding deliveries, etc. The ordering agency should include all relevant information and/or documentation (e.g., purchase documents).

7. CONTRACT ITEMS

All available line items and associated pricing are listed on Attachment A, Contract Pricing.

8. SPECIFICATIONS

Core and Non-Core Catalog items are comprised of models from Attachment B – Trimble Geomatic Hardware Price List 7-1-2021 and Attachment B1 – Trimble Software Price List 7-1-2021.

9. PIVOT PLATFORM SUPPORT LEVEL II

Pivot Platform Support Level II is a maintenance program that supports the Caltrans Real Time Network (RTN). The RTN is a series of GPS receivers that uses Pivot Platform Support Level II to create mathematical corrections for surveyors when collecting points in the field.

Support shall include, but not be limited, to the following:

- Version upgrades to the program
- Technical support
- License updates

The maintenance percentage value is defined as the cost to support Pivot Platform Support Level II based on the total network value. The total network value is the value of the hardware and software of the entire Pivot network utilized by Caltrans and DWR.

10. CUSTOMER SERVICE

Contractor will provide office and personnel resources for responding to requests, including telephone coverage weekdays during the hours of 8:00 AM through 5:00 PM (PT).

13. PRODUCT SUBSTITUTIONS

Products on Attachment A – Contract Pricing shall be available throughout the duration of the contract term. The contract provides for technology refresh as models are discontinued or cease production and must be approved by the State Contract Administrator. These changes will be made in the form of a contract supplement and will not be effective until the supplement's release.

The Contractor shall not substitute products or configurations or modify catalog information without written approval from the State Contract Administrator.

The Contractor will maintain the contract discount as bid throughout the original term of the contract and any extensions, including upon approved substitution.

If no substitute product is available to replace the line items on Attachment A – Contract Pricing due to fundamental technology or market change, the State may alter the common configurations to meet the updated marketplace standards. Obsolescence of line items may be determined at the discretion of the State.

Items with the same model number or SKU available elsewhere on the contract shall be made available to the State at the highest discount.

14. PROMOTIONAL PRICING

The Contractor shall immediately notify the State Contract Administrator of all manufacturer's price declines. Ordering agencies shall receive full benefit of such declines, effective on the date of manufacturer's public announcement.

Pearblossom, CA 93553

B. Schedule

Delivery of ordered product shall be completed in full within thirty (30) calendar days after receipt of an order (ARO). Since receiving hours for each ordering agency will vary by facility, it will be the Contractor's responsibility to check with each ordering agency for their specific delivery hours before delivery occurs. The Contractor must notify the ordering agency within twelve (12) hours of scheduled delivery time, if delivery cannot be made within the time frame specified on the Order Receipt Confirmation.

The Contractor is requested to make deliveries in Los Angeles County, Orange County, San Bernardino Metropolitan Area, and San Diego Metropolitan Area during off-peak hours. Off-peak hours are Monday through Friday, 10:00 AM to 4:00 PM PT.

Contract Mandatory 1-21-66-03, *Supplement 6*
Contract User Instructions

C. Security Requirements

Deliveries may be made to locations inside secure grounds that require approvals to be made for delivery drivers. The Contractor will be responsible for contacting the secure location for procedures, hours of operation for deliveries, and rules of delivery. Deliveries that are delayed due to drivers not being cleared to enter secured grounds may be cause for contract default.

23. FREE ON BOARD (F.O.B.) DESTINATION

All prices are F.O.B. destination, freight prepaid by the Contractor, to the ordering agency’s receiving point. Responsibility and liability for loss or damage for all orders will remain with the Contractor until final inspection and acceptance, when all responsibility will pass to the ordering agency, except the responsibility for latent defects, fraud, and the warranty obligations.

24. SHIPPED ORDERS

All shipments shall be in accordance with the IT General Provisions (rev 09/05/2014), paragraph 12 entitled “Packing and Shipment”.

25. PACKING SLIP

Packing slip requirements shall be in accordance with the IT General Provisions (rev 09/05/2014), paragraph 12 entitled “Packing and Shipment”.

26. INSPECTION AND ACCEPTANCE

Inspection and acceptance shall be in accordance with the IT General Provisions (rev 09/05/2014), paragraph 16 titled Inspection, Acceptance and Rejection.

27. CONTRACT ADMINISTRATION

Both the State and the Contractor have assigned contract administrators as the single points of contact for problem resolution and related contract issues.

28. RETURN POLICY

Contractor will accept all products for return if returned prior to acceptance by the State in accordance with Article 26, Inspection and Acceptance. Contractor shall offer a credit or refund in accordance with Article 29, Credit Policy. Contractor will not impose a restocking fee in accordance with Article 30, Restocking Fees.

Products returned should be in the packaging as delivered and include all documentation. Lost or damaged packaging materials and/or documentation shall be supplied by the Contractor. The Contractor shall not charge for these materials in excess of the Contractor’s cost or the restocking fee, in accordance with Article 30, Restocking Fee, whichever is lower. The Contractor shall provide the State Contract Administrator and/or ordering department a copy of the Contractor’s material cost, if requested, within ten (10) working days of request.

All returns shall be picked up within seven (7) working days of notification. Notification is defined as notice in writing, by facsimile or e-mail. Shipping or freight costs for returned items that were shipped in error, defective or freight-damaged shall be paid by the Contractor.

29. CREDIT POLICY

The Contractor shall offer a full credit/refund for the following items:

- Items shipped in error
- Defective or freight-damaged items
- Items that are not accepted (within fifteen (15) calendar days of delivery)

All other items returned in accordance with Article 28, Return Policy, shall receive credit or refund, less any applicable restocking fees in accordance with Article 30, Restocking Fees. In all cases, the ordering agency shall have the option of taking an exchange, receiving a credit, or receiving a refund.

The Contractor will be responsible for the credit/refund or replacement of all products, including those covered by manufacturer warranties as stated in Article 35, Warranty. Contractor cannot require the ordering agency to deal directly with the manufacturer

30. RESTOCKING FEES

The Contractor will not impose a restocking fee on the ordering agency.

Contract Mandatory 1-21-66-03, *Supplement 6*
Contract User Instructions

31. INVOICING

Ordering agencies may require separate invoicing, as specified by each ordering agency. Invoices will contain the following information:

- Contractor's name, address and telephone number
- Contract Number
- Purchase Order Number
- Line Item Number
- Quantity purchased
- Contract Unit Price and Extension
- State sales and/or use tax
- Prompt payment discounts/cash discounts, if applicable
- Totals for each order

32. PAYMENT

A. Terms

Payment terms for this contract are net forty-five (45) days. Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927, et seq. Unless expressly exempted by statute, the Act requires State departments to pay properly submitted, undisputed invoices not more than forty-five (45) days after the date of acceptance of goods, performance of services, or receipt of an undisputed invoice, whichever is later.

B. CAL-Card Use

State departments may use the CAL-Card for the payment of invoices. Use of the CAL-Card requires the execution of a Purchasing Authority Purchase Order (Std. 65) in accordance with Article 15, Purchase Execution and must include all required documentation applicable to the purchase.

The CAL-Card is a payment mechanism, not a procurement approach and, therefore, does not relieve State departments from adhering to all procurement laws, regulations, policies, procedures, and best practices, including those discussed in the State Contracting Manual (SCM) Volume 1 and Volume 2. This includes but is not limited to the application of all sales and use tax laws, rules and policies as applicable to the purchase.

C. State Financial Marketplace

State departments reserve the right to select the form of payment for all procurements, be it either an outright purchase with payment rendered directly by the State, or a financing/lease-purchase or operating lease via the State Financial Marketplace (GS \$Mart and/or Lease \$Mart). If payment is via the financial marketplace, the Contractor will invoice the State department and the State department will approve the invoice and

Contract Mandatory 1-21-66-03, Supplement 6
Contract User Instructions

the selected Lender/Lessor for all product listed on the State's procurement document will pay the Contractor on behalf of the State.

D. Payee Data Record

Each State department's accounting office must have a copy of the Contractor's Payee Data Record (Std. 204) in order to process payments. State departments should forward a copy of the Std. 204 to their accounting offices. Without the Std. 204, payment may be unnecessarily delayed.

33. CAL-CARD INVOICING

All CAL-Card invoices are to be processed separately from other payment methods and include the elements identified in Article 31, Invoicing. CAL-Card invoices shall be submitted to the CAL-Card account holder. The total invoice amount for each CAL-Card order must reflect a zero (0) balance due or credit, if applicable, and state "paid by CAL-Card".

This website contains additional information regarding [DGS-PD's CAL-Card program](https://www.dgs.ca.gov/PD/Services/Page-Content/Procurement-Division-Services-List-Folder/Enroll-in-CAL-Card-Program-for-Government-Entities) (<https://www.dgs.ca.gov/PD/Services/Page-Content/Procurement-Division-Services-List-Folder/Enroll-in-CAL-Card-Program-for-Government-Entities>).

34. CALIFORNIA SELLER'S PERMIT

The California seller permit number for the Contractor is listed below. Ordering Agencies can verify that permits are currently valid at the following website: www.cdtfa.ca.gov. State departments must adhere to the file documentation identified in the State Contracting Manual Volume 3.

Contractor Name	Seller Permit #
California Surveying and Drafting Supply, Inc.	028805258

35. WARRANTY

The Contractor must honor all manufacturers' warranties and guarantees for a period of one (1) year from the date of acceptance on all products offered as part of this contract. If the manufacturer offers a longer warranty period, the contractor shall ensure the longer warranty is transferred to the State so that the State receives the full benefit of said warranty as offered by the manufacturer. The Contractor shall bear all material and labor costs for repair of equipment defects and failure. The Contractor shall be the main point of contact for all warranty issues and shall facilitate any necessary contact between the ordering agency and the manufacturer.

Contract Mandatory 1-21-66-03, *Supplement 6*
Contract User Instructions

During the warranty period, the Contractor must:

- Honor all manufacturers' warranties and guarantees on all products offered through the contract.
- Continue to provide warranty service after contract termination until expiration of warranties for products that have been sold under the contract.
- Provide all labor, parts, and travel necessary to keep the products in good operating condition and preserve its operating efficiency in accordance with its technical specifications.
- Pay any necessary shipment and insurance costs.

The warranty services listed shall include all products, software and firmware maintenance costs and costs of labor, parts, travel, factory overhaul, rehabilitation, transportation, and substitute products as necessary.

Substitute products will be comparable to or better than the products removed. In instances where it is necessary for the Contractor to return the products to the factory, the Contractor will be responsible for all costs of the products from the time it leaves the authorized purchaser's site until it is returned to the site in good operating condition.

Only new standard parts or parts equal in performance to new parts will be used in effecting repairs. Parts that have been replaced will become the property of the Contractor. Replacement parts installed will become the property of the authorized purchaser.

All operating system software and firmware will be considered an integral component of the equipment and the Contractor will respond to all requests for warranty service for any failure.

Warranty services during the warranty period will not include electrical work external to the products, the furnishing of supplies, or adding or removing accessories, attachments, or other devices not provided under this contract. Warranty services also will not include repair of damage resulting from transportation by the authorized purchaser between ordering agencies sites or from accident.

36. EQUIPMENT REPLACEMENT DURING WARRANTY

If a product provided fails to perform in accordance with technical specifications and functional descriptions contained or referenced in the awarded contract agreement and is subject to warranty response three (3) or more times during any ninety (90) day period, the Contractor will, upon the authorized purchaser's request, replace the product at no cost. The replacement product will be delivered no later than fifteen (15) working days after the authorized purchaser's request is received by the Contractor. Replacement goods cannot be used, refurbished, or recycled and must be of equal or greater value.

Contract Mandatory 1-21-66-03, *Supplement 6*
Contract User Instructions

37. LOANER EQUIPMENT

If the equipment takes more than two (2) business days for repair to be completed, the Contractor may need to provide a loaner/replacement device that meets or exceeds the specification of the replaced product. All loaner/replacement equipment shall be provided at no cost to the State or local agency.

38. RECYCLED CONTENT

There is no recycled content associated with this contract.

39. SB/DVBE PARTICIPATION

There is no Small Business (SB) or Disabled Veteran Business Enterprise (DVBE) participation for this contract.

**40. BIDDER DECLARATION/COMMERCIALLY USEFUL FUNCTION (CUF)/
CERTIFICATIONS**

The DGS-PD, as the awarding department, has assessed the Contractor and subcontractor certifications, (i.e. Darfur, Russian Sanctions, SB/DVBE, etc.), Bidder Declaration and CUF during the solicitation evaluation process. Consequently, when executing purchase documents pursuant to this contract, it is not necessary for State departments operating under statewide contract purchasing authority to request the completion of State required certifications, a Bidder Declaration document or perform additional CUF analysis. The State department should make a notation of this within their procurement file.

EXHIBIT 2: MODIFICATIONS TO THE AGENCY AGREEMENT

1. References. All references to “local agency,” “ordering agency,” “local government agency,” and “authorized purchaser” in the Agency Agreement shall mean and be understood to be “City of San Diego.” Any and all references to the “State Contract Administrator” in the Agency Agreement, including but not limited to those related to Contractor’s duties and responsibilities to report and notify, shall be construed as references to the Department, which is designated as the City’s Contract Administrator in Section III of the Contract.

2. Indemnification. To the fullest extent permitted by law, Contractor shall defend (with legal counsel reasonably acceptable to City), indemnify, protect, and hold harmless City and its elected officials, officers, employees, agents, and representatives (Indemnified Parties) from and against any and all claims, losses, costs, damages, injuries (including, without limitation, injury to or death of an employee of Contractor or its subcontractors), expense, and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, and litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, any goods provided or performance of services under this Contract by Contractor or anyone directly or indirectly employed by Contractor, or anyone under Contractor’s control. Contractor’s duty to defend, indemnify, protect, and hold harmless shall not include any claims or liabilities arising from the sole negligence or willful misconduct of the Indemnified Parties.

2.1 **Royalties, Licenses, and Patents.** Unless otherwise specified, Contractor shall pay all royalties, license, and patent fees associated with the goods that are the subject of this Contract. Contractor warrants that the goods, materials, supplies, and equipment to be supplied do not infringe upon any patent, trademark, or copyright, and further agrees to defend any and all suits, actions and claims for infringement that are brought against the City, and to defend, indemnify and hold harmless the Indemnified Parties from all liability, loss, and damages, whether general, exemplary, or punitive, suffered as a result of any actual or claimed infringement asserted against the City, Contractor, or those furnishing goods, materials, supplies, or equipment to Contractor under the Contract.

2.2 **Intellectual Property Warranty and Indemnification.** Contractor represents and warrants that any materials or goods provided under this Contract are either original, or not encumbered, and do not infringe upon the copyright, trademark, patent or other intellectual property rights of any third party or are in the public domain. If the intellectual property rights of the materials and goods provided hereunder become the subject of a claim, suit or allegation of copyright, trademark, or patent infringement, City shall have the right, in its sole discretion, to require Contractor to produce, at Contractor’s own expense, new non-infringing materials, deliverables or works as a means of remedying any claim of infringement in addition to any other remedy available to the City under law or equity. Contractor further agrees to indemnify, defend, and hold harmless the Indemnified Parties from and against any and all claims, actions, costs, judgments or damages, of any type, alleging or threatening that any goods, supplies, equipment, services, or works provided under this contract infringe the copyright, trademark, patent or other intellectual property or proprietary rights of any third party (Third Party Claim of Infringement). If a Third Party

Claim of Infringement is threatened or made before Contractor receives payment under this Contract, City shall be entitled, upon written notice to Contractor, to withhold some or all of such payment.

3. Insurance. Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by Contractor, his agents, representatives, employees or subcontractors. Contractor shall provide, at a minimum, the following:

3.1 **Commercial General Liability.** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury, and personal and advertising injury with limits no less than \$1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

3.2 **Commercial Automobile Liability.** Insurance Services Office Form Number CA 0001 covering Code 1 (any auto) or, if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.

3.3 **Workers' Compensation.** Insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

3.4 **Technology Professional Liability Errors and Omissions Insurance** appropriate to the Contractor’s profession and work hereunder, with limits not less than \$2,000,000 per occurrence. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by the Vendor in this agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for breach response costs, regulatory fines and penalties.

3.5 **Other Insurance Provisions.** The insurance policies are to contain, or be endorsed to contain, the following provisions:

3.6 **Additional Insured Status.** The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

3.7 **Primary Coverage.** For any claims related to this contract, Contractor's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by City, its officers, officials, employees, or volunteers shall be excess of Contractor's insurance and shall not contribute with it.

3.8 **Notice of Cancellation.** Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to City.

3.9 **Waiver of Subrogation.** Contractor hereby grants to City a waiver of any right to subrogation which the Workers' Compensation insurer of said Contractor may acquire against City by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

3.10 **Self-Insured Retentions.** Self-insured retentions must be declared to and approved by City. City may require Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.

3.11 **Acceptability of Insurers.** Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A-VI, unless otherwise acceptable to City. City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

3.12 **Verification of Coverage.** Contractor shall furnish City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive Contractor's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

3.13 **Special Risks or Circumstances.** City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

3.14 **Additional Insurance.** Contractor may obtain additional insurance not required by this Contract.

3.15 **Excess Insurance.** All policies providing excess coverage to City shall follow the form of the primary policy or policies including but not limited to all endorsements.

3.16 **Subcontractors.** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors. For CGL coverage, subcontractors shall provide coverage with a format at least as broad as the CG 20 38 04 13 endorsement.

4. Order, Delivery, and Compensation.

4.1 **Ordering Procedure.**

4.2 **Delivery Locations.** Delivery for orders placed against this Contract shall be shipped to the following location:

The City of San Diego
9573 Chesapeake Dr.
San Diego, California 92123

4.3 **Return Policy.** Contractor will accept all products for return if returned prior to acceptance by the City and shall offer a credit or refund. Contractor may impose a restocking fee. Products returned should be in the packaging as delivered and include all documentation. Lost or damaged packaging materials and/or documentation shall be supplied by the Contractor. The Contractor shall not charge for these materials in excess of the Contractor's cost or the restocking fee, whichever is lower. The Contractor shall provide the Contract Administrator a copy of the Contractor's material cost, if requested, within ten (10) working days of request.

5. The remaining portions of the Agency Agreement shall remain in full force and effect.

City of San Diego
CONTRACTOR STANDARDS
Pledge of Compliance

The City of San Diego has adopted a Contractor Standards Ordinance (CSO) codified in section 22.3004 of the San Diego Municipal Code (SDMC). The City of San Diego uses the criteria set forth in the CSO to determine whether a bidder or proposer has the capacity to fully perform the contract requirements and the business integrity to justify the award of public funds. This completed Contractor Standards Pledge of Compliance (Pledge of Compliance) signed under penalty of perjury must be submitted with each bid and proposal. If an informal solicitation process is used, the bidder must submit this completed Pledge of Compliance to the City prior to execution of the contract. All responses must be typewritten or printed in ink.

If an explanation is requested or additional space is required, Respondents must provide responses on Attachment “A” to the Pledge of Compliance and sign each page. Failure to submit a signed and completed Pledge of Compliance may render the bid or proposal non-responsive. In the case of an informal solicitation, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted. A submitted Pledge of Compliance is a public record and information contained within will be available for public review except to the extent that such information is exempt from disclosure pursuant to applicable law. **A. L. TYPE OF SUBMISSION: This document is submitted as:

Pledge of Compliance Initial submission.

OR

Update to prior Pledge of Compliance dated _____ / _____ / _____

Complete all questions and sign below.

Under penalty of perjury under the laws of the State of California, I certify that I have read and understand the questions contained in this Pledge of Compliance, that I am responsible for completeness and accuracy of the responses contained herein, and that all information provided is true, full and complete to the best of my knowledge and belief. I agree to provide written notice to the Purchasing Agent within five (5) business days if, at any time, I learn that any portion of this Pledge of Compliance requires an updated response. Failure to timely provide the Purchasing Agent with written notice is grounds for Contract termination.

I, on behalf of the firm, further certify that I and my firm will comply with the following provisions of SDMC section 22.3004:

(a) I and my firm will comply with all applicable local, State and Federal laws, including health and safety, labor and employment, and licensing laws that affect the employees, worksite or performance of the contract.

(b) I and my firm will notify the Purchasing Agent in writing within fifteen (15) calendar days of receiving notice that a government agency has begun an investigation of me or my firm that may result in a finding that I or my firm is or was not in compliance with laws stated in paragraph (a).

(c) I and my firm will notify the Purchasing Agent in writing within fifteen (15) calendar days of a finding by a government agency or court of competent jurisdiction of a violation by the Contractor of laws stated in paragraph (a).

(d) I and my firm will notify the Purchasing Agent in writing within fifteen (15) calendar days of becoming aware of an investigation or finding by a government agency or court of competent jurisdiction of a violation by a subcontractor of laws stated in paragraph (a).

(e) I and my firm will cooperate fully with the City during any investigation and agree to respond to a request for information within ten (10) working days.

Failure to sign and submit this form with the bid/proposal shall make the bid/proposal nonresponsive. In the case of an informal solicitation, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted.

Work Force Report

HISTORY

The Work Force Report (WFR) is the document that allows the City of San Diego to analyze the work forces of all firms wishing to do business with the City. We are able to compare the firm's work force data to County Labor Force Availability (CLFA) data derived from the United States Census. CLFA data is a compilation of lists of occupations and includes the percentage of each ethnicity we track (American Indian or Alaska Native, Asian, Black or African-American, Native Hawaiian or Pacific Islander, White, and Other) for each occupation. Currently, our CLFA data is taken from the 2010 Census. In order to compare one firm to another, it is important that the data we receive from the consultant firm is accurate and organized in the manner that allows for this fair comparison.

WORK FORCE & BRANCH WORK FORCE REPORTS

When submitting a WFR, especially if the WFR is for a specific project or activity, we would like to have information about the firm's work force that is actually participating in the project or activity. That is, if the project is in San Diego and the work force is from San Diego, we want a San Diego County Work Force Report¹. By the same token, if the project is in San Diego, but the work force is from another county, such as Orange or Riverside County, we want a Work Force Report from that county². If participation in a San Diego project is by work forces from San Diego County and, for example, from Los Angeles County and from Sacramento County, we ask for separate Work Force Reports representing your firm from each of the three counties.

MANAGING OFFICE WORK FORCE

Equal Opportunity Contracting may occasionally ask for a Managing Office Work Force (MOWF) Report. This may occur in an instance where the firm involved is a large national or international firm but the San Diego or other local work force is very small. In this case, we may ask for both a local and a MOWF Report^{1, 3}. In another case, when work is done only by the Managing Office, only the MOWF Report may be necessary.³

TYPES OF WORK FORCE REPORTS:

Please note, throughout the preceding text of this page, the superscript numbers one ¹, two ² & three ³. These numbers coincide with the types of work force report required in the example. See below:

- ¹ One San Diego County (or Most Local County) Work Force – Mandatory in most cases
- ² Branch Work Force *
- ³ Managing Office Work Force

**Submit a separate Work Force Report for all participating branches. Combine WFRs if more than one branch per county.*

RACE/ETHNICITY CATEGORIES

American Indian or Alaska Native – A person having origins in any of the peoples of North and South America (including Central America) and who maintains tribal affiliation or community attachment.

Asian – A person having origins in any of the peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American – A person having origins in any of the Black racial groups of Africa.

Native Hawaiian or Pacific Islander – A person having origins in any of the peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White – A person having origins in any of the peoples of Europe, the Middle East, or North Africa.

Hispanic or Latino – A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin.
