

CITY OF SAN DIEGO
PUBLIC WORKS DEPARTMENT
SOLE SOURCE MEMORANDUM

DATE: July 17, 2015
TO: James Nagelvoort, Director, Public Works Department
FROM: Downs Prior, Principal Contract Specialist 
SUBJECT: Sole Source Conceptual Planning & Design Services for the San Diego Stadium Replacement Project

Sole Source Number: PW-SS0021

Dept. Est. Total: \$49,000.00

Vendor: Populous, Inc.

Expiration Date: June 30, 2016

Recommendation: Approve Sole Source

In accordance with SDMC §22.3016, this is to certify that a sole source agreement (H156549) with Populous, Inc. for the Conceptual Planning & Design Services for the San Diego Stadium Replacement Project, is necessary, and that a strict compliance with a competitive process would be unavailing or would not produce an advantage, and soliciting bids or proposals would be undesirable, impractical or impossible for the following reasons:

JUSTIFICATION:

The National Football League (NFL) is currently in the process of considering the relocation of one or more football teams to the Los Angeles area and may make that decision as soon as early 2016. In early February 2015, a "Committee on Los Angeles Opportunities" comprised of 6 NFL owners (Committee) was established to evaluate the potential of relocating an NFL franchise to the Los Angeles market. The teams currently being considered for relocation include the San Diego Chargers, Oakland Raiders and the St. Louis Rams. The Committee is tasked with assessing the ability to timely execute a stadium reconstruction project.

On June 23, 2015, representatives from the City's negotiating team met with the Committee Chairman Eric Grubman. At this time, Mr. Grubman informed the City that it would have the opportunity to present its stadium reconstruction project (Project) to the Committee on August 10, 2015. Conceptual architectural renderings and design would be required to have a complete presentation and would be integral to preventing the

relocation of the San Diego Chargers. Additionally, the NFL informed the City it should demonstrate substantial progress on the environmental analysis of the Project. The conceptual design is needed as soon as possible for the City to continue the environmental review process and meet the NFL timeline of making a decision by early 2016. The authorization of the expenditures necessary to complete the EIR and conceptual design was passed on July 14, 2015, by the San Diego City Council.

Due to the extremely restricted timeline, it would be impractical and detrimental to the Project to conduct a competitive solicitation. Without professional architectural renderings, the City's presentation to the NFL would be deemed incomplete, and critically impact the City's ability to retain the San Diego Chargers.

Unique Qualifications

The development of a stadium reconstruction proposal is a complex undertaking that requires highly specialized knowledge and experience. Populous, Inc. is a firm that has demonstrated the capacity required to meet the expedited timeline and technical skill to perform the required work. Populous' has extensive and highly specialized experience as an architect for 15 new NFL stadiums and two major renovations.

Based upon inquiries, as few as 10 architectural firms have experience in design for constructed NFL stadiums and none have as extensive experience as Populous in recent design of professional football stadiums. Of the very limited firms that do have NFL experience, some are involved in other NFL stadium proposals in the Los Angeles or Saint Louis areas, which would present capacity issues during the expedited timeline.

Specifically, unique expertise exhibited by Populous includes:

- Longstanding relationship with the NFL
 - o The firm was founded in 1983 when a team of architects helped devise the club seating concept that was first implemented at Sun Life Stadium in Miami.
 - o The firm has worked directly with owners of the NFL to complete new stadium design or renovation.
 - o Populous has consistently delivered designs with reasonable construction budgets for other cities.
 - o The team has a track record of developing facilities that draw fans, sponsors and excitement.
 - o The firm also has unique experience as lead event overlay designers and planners for the NFL in Super Bowl planning.
- Local experience
 - o Populous has been retained by the Chargers in previous stadium planning efforts in Mission Valley and Downtown, as well as by the Task Force. This would allow Populous to complete the necessary work in an expedited timeline.

- o The firm was the architect for Petco Park and designed a context-sensitive stadium, which was honored with an Orchid award for its design in 2006.

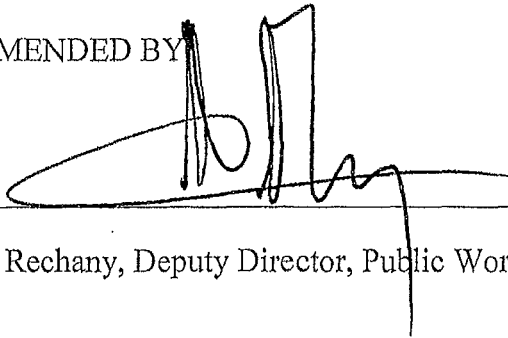

In addition, we have informally requested and obtained proposals from Populous and two other firms. Populous has offered to perform the needed conceptual design services at a reduced rate, resulting in savings to the City of approximately one-half to two-thirds of the expected cost. Due to the firm 's unique experience with the NFL, and the expedited timeline required for this work, soliciting formal bids is impracticable or impossible, and the use of a competitive process here would not produce an advantage for the City.

For reasons of timing, cost, project familiarity, and technical insight into the needs of the project, staff believes a sole source award with Populous, Inc. to prepare Conceptual Planning & Design Services for the City of San Diego Stadium Replacement Project is in the best interest of the City. Therefore, it is hereby requested a sole source contract be award to Populous, Inc. for accomplishing said requirement.

AGREEMENT VALUE & DURATION:

The total fee for these services shall not exceed \$49,000.00, and the term of the agreement (H156549) shall not exceed June 30, 2016. This associated sole source, will be in effect from date of the agreement execution, until the agreement is completed/closed, but will not exceed June 30, 2016, without issuance of a modification to duration of both the agreement and this sole source.

**AGREEMENT BETWEEN
THE CITY OF SAN DIEGO
AND POPULOUS, INC.
FOR CONSULTANT SERVICES**

THIS Agreement is made and entered into between the City of San Diego, a municipal corporation [City], and Populous, Inc. [Consultant] for the Consultant to provide Professional Services to the City on Conceptual Planning & Design Services for the San Diego Stadium Replacement Project [Project].

**ARTICLE I
CONSULTANT SERVICES**

1.1 Scope of Services. The Consultant shall perform the Professional Services as set forth in the written Scope of Services [Exhibit A] at the direction of the City.

1.2 Competitive Bidding. If applicable, the Consultant shall comply with the following: Consultant shall ensure that any plans, specifications, studies, or reports prepared, required, or recommended under this Agreement allow for competitive bidding. The Consultant shall prepare such plans, specifications, studies, or reports so that procurement of services, labor or materials are not available from only one source, and shall not prepare plans, specifications, studies, or reports around a single or specific product, piece of major equipment or machinery, a specific patented design, or a proprietary process, unless required by principles of sound engineering practice and supported by a written justification that has been approved in writing by the City. The Consultant shall submit this written justification to the City prior to beginning work on such plans, specifications, studies, or reports. Whenever the Consultant recommends a specific product or equipment for competitive procurement, such recommendation shall include at least two brand names of products that are capable of meeting the functional requirements applicable to the Project.

**ARTICLE II
DURATION OF AGREEMENT**

2.1 Term of Agreement. This Agreement shall be effective on the date it is executed by the last Party to sign the Agreement, and approved by the City Attorney in accordance with San Diego Charter Section 40. Unless otherwise terminated, it shall be effective until completion of the Scope of Services or June 30, 2016 whichever is the earliest but not to exceed five years; unless approved by City ordinance.

2.2 Time of Essence. Time is of the essence for each provision of this Agreement, unless otherwise specified in this Agreement. The time for performance of the Scope of Services is set forth in the Time Schedule [Exhibit C].

2.3 City's Right to Terminate for Convenience. The City may, at its sole option and for its convenience, terminate all or any portion of the Professional Services agreed to pursuant to this Agreement by giving written notice of such termination to the Consultant. Such notice shall be delivered by certified mail with return receipt for delivery to the City. The termination of the Professional Services shall be effective upon receipt of the notice by the Consultant. The Consultant shall be entitled to fair and reasonable compensation for the Professional Services performed by the Consultant before the effective date of termination.

2.4 City's Right to Terminate for Default. If the Consultant fails to satisfactorily perform any obligation required by this Agreement, the Consultant's failure constitutes a Default. A Default includes the Consultant's failure to adhere to the Time Schedule. If the Consultant fails to satisfactorily cure a Default within ten calendar days of receiving written notice from the City specifying the nature of the Default, the City may immediately cancel and/or terminate this Agreement, and terminate each and every right of the Consultant, and any person claiming any rights by or through the Consultant under this Agreement. The rights and remedies of the City enumerated in this Section are cumulative and shall not limit, waive, or deny any of the City's rights under any other provision of this Agreement. Nor does this Section otherwise waive or deny any right or remedy, at law or in equity, existing as of the date of this Agreement or hereinafter enacted or established, that may be available to the City against the Consultant.

ARTICLE III COMPENSATION

3.1 Amount of Compensation. The City shall pay the Consultant for performance of all Professional Services rendered in accordance with this Agreement, including reasonably related expenses, a total contract amount not exceeding \$49,000. The compensation for the Scope of Services shall not exceed \$49,000, and the compensation for Additional Services (described in Section 3.2), if any, shall not exceed zero dollars.

3.2 Additional Services. The City may require that the Consultant perform additional Professional Services beyond those described in the Scope of Services [Additional Services]. Prior to the Consultant's performance of Additional Services, the City and the Consultant must agree in writing upon a fee for the Additional Services, including reasonably related expenses, in accordance with the Compensation and Fee Schedule. The City will pay the Consultant for the performance of Additional Services in accordance with Section 3.3.

3.3 Manner of Payment. The City shall pay the Consultant in accordance with the Compensation and Fee Schedule [Exhibit B]. For the duration of this Agreement, the Consultant shall not be entitled to fees, including fees for expenses, that exceed the amounts specified in the Compensation and Fee Schedule. The Consultant shall submit one invoice per calendar month in a form acceptable to City in accordance with the Compensation and Fee Schedule. The Consultant shall include with each invoice a description of completed Professional Services, reasonably related expenses, if any, and all other information, including but not limited to: the progress percentage of the Scope of Services and/or deliverables completed prior to the invoice date, as required by the City. The City will pay undisputed portions of invoices within thirty calendar days of receipt.

3.4 Eighty Percent Notification. The Consultant shall promptly notify the City in writing of any potential cost overruns. Cost overruns include, but are not limited to the following: (1) where anticipated costs to be incurred in the next sixty calendar days, when added to all costs previously incurred, will exceed 80 percent of the maximum compensation for this Agreement; or (2) where the total cost for performance of the Scope of Services appears that it may be greater than the maximum compensation for this Agreement.

ARTICLE IV CONSULTANT'S OBLIGATIONS

4.1 Industry Standards. The Consultant agrees that the Professional Services rendered under this Agreement shall be performed in accordance with the standards customarily adhered to by an experienced and competent Conceptual Planning and Design firm using the degree of care and skill ordinarily exercised by reputable professionals practicing in the same field of service in the State of California. Where approval by the City, the Mayor, or other representatives of the City is required, it is understood to be general approval only and does not relieve the Consultant of responsibility for complying with all applicable laws, codes, and good consulting practices.

4.2 Maintenance of Records. The Consultant shall maintain books, records, logs, documents and other evidence sufficient to record all actions taken with respect to the rendering of the Professional Services for the Project, throughout the performance of the Professional Services and for a period of ten years following completion of the Professional Services for the Project. The Consultant further agrees to allow the City to inspect, copy, and audit such books, records, documents and other evidence at all reasonable times.

4.3 Insurance. The Consultant shall not begin the Professional Services under this Agreement until it has: (a) obtained, and provided to the City, insurance certificates and endorsements reflecting evidence of all insurance required in Article IV, Section 4.3.1; however, the City reserves the right to request, and the Consultant shall submit, copies of any policy upon reasonable request by the City; (b) obtained City approval of each company or companies as required by Article IV, Section 4.3.3; and (c) confirmed that all policies contain the specific provisions required in Article IV, Section 4.3.4. Consultant's liabilities, including but not limited to Consultant's indemnity obligations, under this Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Except as provided for under California law, all policies of insurance required hereunder must provide that the City is entitled to thirty (30) days prior written notice (10 days for cancellation due to non-payment of premium) of cancellation or non-renewal of the policy or policies. Maintenance of specified insurance coverage is a material element of this Agreement and Consultant's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Agreement may be treated as a material breach of contract by the City.

Further, the Consultant shall not modify any policy or endorsement thereto which increases the City's exposure to loss for the duration of this Agreement.

4.3.1 Types of Insurance. At all times during the term of this Agreement, the Consultant shall maintain insurance coverage as follows:

4.3.1.1 Commercial General Liability. Commercial General Liability (CGL) Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury or property damage in the amount of **\$1 million** per occurrence and subject to an annual aggregate of **\$2 million**. There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. Insurance certificate shall reflect coverage for any automobile (any auto).

4.3.1.3 Workers' Compensation. For all of the Consultant's employees who are subject to this Agreement and to the extent required by the applicable state or federal law, the Consultant shall keep in full force and effect, a Workers' Compensation policy. That policy shall provide a minimum of **\$1 million** of employers' liability coverage, and the Consultant shall provide an endorsement that the insurer waives the right of subrogation against the City and its respective elected officials, officers, employees, agents and representatives.

4.3.1.4 Professional Liability. For all of the Consultant's employees who are subject to this Agreement, the Consultant shall keep in full force and effect, Professional Liability coverage for professional liability with a limit of **\$1 million** per claim and **\$2 million** annual aggregate. The Consultant shall ensure both that: (1) the policy retroactive date is on or before the date of commencement of the Professional Services; and (2) the policy will be maintained in force for a period of three years after substantial completion of the Professional Services or termination of this Agreement whichever occurs last. The Consultant agrees that for the time period defined above, there will be no changes or endorsements to the policy that increase the City's exposure to loss.

4.3.2 Deductibles.

All deductibles on any policy shall be the responsibility of the Consultant and shall be disclosed to the City at the time the evidence of insurance is provided.

4.3.3 Acceptability of Insurers.

The following endorsements to the policies of insurance are required to be provided to the City before any work is initiated under this Agreement.

The policy or policies must be endorsed to provide that the insurance afforded by the Commercial General Liability policy or policies is primary to any insurance or self-insurance of the City of San Diego and its elected officials, officers, employees, agents and representatives as respects operations of the Named Insured. Any insurance maintained by the City of San Diego and its elected officials, officers, employees, agents and representatives shall be in excess of Consultant's insurance and shall not contribute to it.

4.3.5 Reservation of Rights. The City reserves the right, from time to time, to review the Consultant's insurance coverage, limits, deductible and self-insured retentions to determine if they are acceptable to the City. The City will reimburse the Consultant for the cost of the additional premium for any coverage requested by the City in excess of that required by this Agreement without overhead, profit, or any other markup.

Upon the City's request, the Consultant agrees to provide to the City, within sixty calendar days, a truthful and complete list of the names of all Subcontractors, vendors, and suppliers that the Consultant has used in the past five years on any of its contracts that were undertaken within San Diego County, including the total dollar amount paid by the Consultant for each subcontract or supply contract. The Consultant further agrees to fully cooperate in any investigation conducted by the City pursuant to the City's Nondiscrimination in Contracting Ordinance [San Diego Municipal Code sections 22.3501-22.3517.] The Consultant understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in remedies being ordered against the Consultant up to and including contract termination, debarment, and other sanctions for violation of the provisions of the Nondiscrimination in Contracting Ordinance. The Consultant further understands and agrees that the procedures, remedies and sanctions provided for in the Nondiscrimination Ordinance apply only to violations of said Nondiscrimination Ordinance.

4.5.4 ADA Certification. CONTRACTOR STANDARDS
Pledge of Compliance

The City of San Diego has adopted a Contractor Standards Ordinance (CSO) codified in section 22.3004 of the San Diego Municipal Code (SDMC). The City of San Diego uses the criteria set forth in the CSO to determine whether a bidder or proposer has the capacity to fully perform the contract requirements and the business integrity to justify the award of public funds. This completed Pledge of Compliance signed under penalty of perjury must be submitted with each bid and proposal. If an informal solicitation process is used, the bidder must submit this completed Pledge of Compliance to the City prior to execution of the contract. All responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, Respondents must provide responses on Attachment A to the Pledge of Compliance and sign each page. Failure to submit a signed and completed Pledge of Compliance may render the bid or proposal non-responsive. In the case of an informal solicitation, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted. A submitted Pledge of Compliance is a public record and information contained within will be available for public review except to the extent that such information is exempt from disclosure pursuant to applicable law.

Paragraph F, Question 3:

Populous performed services as a sport specific design subconsultant under contract with a local prime architect on the University of South Carolina Baseball Stadium project which opened in 2009. In 2012 settlement cracks were noticed in the northwest corner, and the University ultimately expended money to repair and remediate the foundation system. Subsequent to their expenditure, the University made a claim against all design team parties (5 parties), contractor parties (2 parties) and the University's Quality Assurance consultant. Included in the claims was a claim for breach of contract against all parties. The allegations did not name Populous specifically (as Populous had no role in the foundation), other than identifying Populous as a Sports Design consultant as part of the Design Team respondents. The claim was amicably settled by all parties without admission of liability or fault during mediation with a confidential settlement agreement entered into by all parties.

I have read the matters and statements made in this Contractor Standards Pledge of Compliance and attachments there to and I know the same to be true of my own knowledge, except as to those matters stated upon information or belief and as to such matters, I believe the same to be true. I certify under penalty of perjury that the foregoing is true and correct.
