AGREEMENT BETWEEN

AND ADAM FRANK INCORPORATED
FOR PUBLIC ART SERVICES

THIS Agreement H176944 (Consulting Agreement), and the incorporated Exhibits A-G, is made and entered into between the City of San Diego, a municipal corporation (City), and Adam Frank Incorporated (Artist), for the Artist to provide consulting services to the City.

ARTICLE I
SCOPE OF SERVICES

1.1 Scope of Services. At the direction of the City, the Artist shall provide services to the City, as described in Scope of Services (**Exhibit A**), for design, fabrication, transportation of artwork to site and consultation during installation of artwork to be installed by the City in connection with the The Presidio Public Art Project, the Project.

ARTICLE II
DURATION OF AGREEMENT

2.1 Term of Agreement. This Consulting Agreement shall be effective on the date it is executed by the last party to sign the Consulting Agreement, and approved by the City Attorney in accordance with San Diego Charter Section 40. Unless otherwise terminated, it shall be effective until completion of the Scope of Services or August 31, 2022, whichever is the earliest but not to exceed five years unless approved by City ordinance.

2.2 Time of Essence. Time is of the essence for each provision of this Consulting Agreement, unless otherwise specified in this Consulting Agreement.

2.2.1 Unless otherwise specified herein, time is of the essence for each and every provision of the Consulting Agreement. Artist must immediately notify City in writing if there is, or it is anticipated that there will be, a delay in performance. The written notice must explain the cause for the delay and provide a reasonable estimate of the length of the delay. City may terminate this Consulting Agreement as provided herein if City, in its sole discretion, determines the delay is material.

2.2.2 If a delay in performance is caused by any unforeseen event(s) beyond the control of the parties, City may allow Artist to a reasonable extension of time to complete performance, but Artist will not be entitled to damages or additional compensation. Any such extension of time must be approved in writing by City. The following conditions may constitute such a delay: war; changes in law or government regulation; labor disputes; strikes; fires, floods, adverse weather or other similar condition of the elements necessitating cessation of the performance; inability to obtain materials, equipment or labor; or other specific reasons agreed to between City and Artist. This provision does not apply to a delay caused by Artist's acts or omissions. Artist is not entitled to an extension of time to perform if a delay is caused by Artist's inability to obtain materials, equipment, or labor unless City has received, in a timely manner, documentary proof satisfactory to City of Artist's inability to obtain materials, equipment, or labor, in which case City's approval must be in writing.

2.3 City's Right to Terminate for Convenience. The City may, at its sole option and for its convenience, terminate all or any portion of the Scope of Services agreed to pursuant to this Consulting Agreement by giving written notice of such termination to the Artist. Such notice shall be delivered by certified mail with return receipt for delivery to the City. The termination of the Scope of Services shall be effective upon receipt of the notice by the Artist. Artist will be entitled to fair and reasonable compensation for all services completed in compliance with this Consulting Agreement prior to the notice of termination. In the event that the City terminates this Consulting Agreement pursuant to this Section, the City shall have no right to use the Artist's work-product or services to complete and display the artwork absent the written consent of the Artist.

2.4 City's Right to Terminate for Default. If the Artist fails to satisfactorily perform any obligation required by this Consulting Agreement, the Artist's failure constitutes a default. A default includes the Artist's failure to adhere to the Schedule of Work given in **Exhibit D** attached hereto. If the Artist fails to satisfactorily cure a default within ten calendar days of receiving written notice from the City specifying the nature of the default, the City may immediately cancel and/or terminate this Consulting Agreement, and terminate each and every right of the Artist, and any person claiming any rights by or through the Artist under this Consulting Agreement. The rights and remedies of the City enumerated in this section are cumulative and shall not limit, waive, or deny any of the City's rights under any other provision of this Consulting Agreement. Nor does this section otherwise waive or deny any right or remedy, at law or in equity, existing as of the date of this Consulting Agreement or hereinafter enacted or established, that may be available to the City against the Artist.

ARTICLE III COMPENSATION

3.1 Amount of Compensation. The City shall pay the Artist for performance of all Services rendered in accordance with this Consulting Agreement, including reasonably related expenses, a total contract amount not exceeding \$525,000.

3.2 Manner of Payment. The City shall pay the Artist according to the Compensation and Fee Schedule attached hereto as **Exhibit C**. For the duration of this

Consulting Agreement, the Artist shall not be entitled to fees, including fees for expenses, that exceed the amounts specified in 3.1. The Artist shall submit invoices in accordance with the Compensation and Fee Schedule, which shall include a description of completed services. The City will pay undisputed portions of the invoice within 30 calendar days of receipt.

ARTICLE IV ARTIST'S OBLIGATIONS

Where approval by the City Council, Mayor, or other representatives of the City is required, it is understood to be general approval only and does not relieve the Artist of responsibility for complying with all applicable laws, codes, and good consulting practices.

4.2 Maintenance of Records. The Artist shall maintain books, records, logs, documents and other evidence sufficient to record all actions taken with respect to the rendering of the Scope of Services, throughout the performance of the Scope of Services and for a period of 10 years following completion of the Professional Services for the Project. Maintenance of specified insurance coverage is a material element of this Consulting Agreement and the Artist's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Consulting Agreement may be treated as a material breach of contract by the City. The Artist shall not modify any policy or endorsement thereto which increases the City's exposure to loss for the duration of this Consulting Agreement.

REGARDING INFORMATION REQUESTED UNDER THE CALIFORNIA PUBLIC RECORDS ACT

The undersigned duly authorized representative, on behalf of the named Contractor declares and acknowledges the following:

The contents of this contract and any documents pertaining to the performance of the contract requirements/Scope of Services resulting from this contract are public records, and therefore subject to disclosure unless a specific exemption in the California Public Records Act applies.

If a Contractor submits information **clearly marked** confidential or proprietary, the City of San Diego (City) may protect such information and treat it with confidentiality only to the extent permitted by law. However, it will be the **responsibility of the Contractor** to provide to the City the specific legal grounds on which the City can rely in withholding information requested under the California Public Records Act, should the City choose to withhold such information.

General references to sections of the California Public Records Act will not suffice. Rather, the Contractor must provide a **specific and detailed legal basis, including applicable case law** that **clearly establishes** the requested information is exempt from the disclosure requirements of the California Public Records Act.

If the Contractor does not provide a specific and detailed legal basis for withholding the requested information within a time specified by the City, the City will release the information as required by the California Public Records Act and the **Contractor will hold the City harmless** for release of this information.

It will be the **Contractor's obligation to defend**, at Contractor's expense, any legal actions or challenges seeking to obtain from the City any information requested under the California Public Records Act withheld by the City at the Contractor's request. Furthermore, the Contractor shall **indemnify** the City and **hold it harmless** for any claim or liability, and **defend any action** brought against the City, resulting from the City's refusal to release information requested under the Public Records Act withheld at Contractor's request.

Nothing in the Consulting Agreement creates any obligation for the City to notify the Contractor or obtain the Contractor's approval or consent before releasing information subject to disclosure under the California Public Records Act.

**City of San Diego
CONTRACTOR STANDARDS
Pledge of Compliance**

The City of San Diego has adopted a Contractor Standards Ordinance (CSO) codified in section 22.3004 of the San Diego Municipal Code (SDMC). The City of San Diego uses the criteria set forth in the CSO to determine whether a bidder or proposer has the capacity to fully perform the contract requirements and the business integrity to justify the award of public funds. This completed Contractor Standards Pledge of Compliance (Pledge of Compliance) signed under penalty of perjury must be submitted with each bid and proposal. If an informal solicitation process is used, the bidder must submit this completed Pledge of Compliance to the City prior to execution of the contract. All responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, Respondents must provide responses on Attachment "A" to the Pledge of Compliance and sign each page. Failure to submit a signed and completed Pledge of Compliance may render the bid or proposal non-responsive. In the case of an informal solicitation, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted. A submitted Pledge of Compliance is a public record and information contained within will be available for public review except to the extent that such information is exempt from disclosure pursuant to applicable law.
