Hi Neighbors!

As we close in on our first six months in office, our District 6 team is excited to share several community updates and events, with a particular focus on events celebrating Asian American & Pacific Islander Heritage Month this May.

Our office continues to work closely with community leaders throughout the District to advocate for local needs — requesting ongoing and timely street repairs, additional infrastructure needs for our parks to libraries, and addressing our homelessness and housing crises. We continue to invite your feedback on the budget by email at d6budget@sandiego.gov.

Thank you and we look forward to seeing you in the community!
