Background

SD Economic Development

Consolidated Plan Goals

Increase and preserve **affordable rental and homeowner housing** to improve access to **housing** opportunities that reflect community needs, including, but not limited to, opportunities in close proximity to transit, employment, and community services.

Enhance the City's economic stability by investing in inclusive economic growth initiatives that develop and strengthen **small businesses and support local entrepreneurs**.

Foster individual and household resiliency by **investing in employment and workforce development** programs and improving access to job opportunities.

Support the development of vibrant, equitable, and adaptable neighborhoods by investing in **public facilities and critical infrastructure**.

SD Economic Development

Consolidated Plan Goals

Assist individuals and families to gain stable housing after experiencing homelessness or a housing crisis by providing appropriate housing and service solutions grounded in best practices.

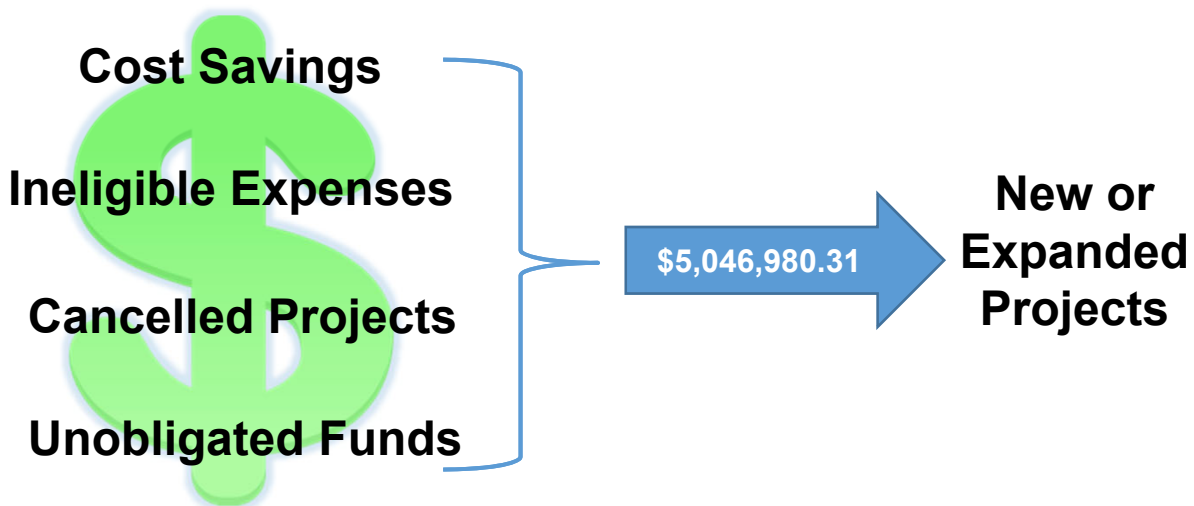

Invest in community services that promote equity and serve vulnerable populations including, but not limited to, refugees and recent immigrants, previously incarcerated, veterans, youth, seniors, and food insecure households

Finance **impactful nonprofit facility improvements** to provide new or increased access to programs that serve vulnerable populations or implement sustainability measures.

(FY 2020 Only) **Meet the needs of persons with HIV/AIDS** and their families through the provision of housing, health, and support services.
