An update on the California Citizens Redistricting Commission and a presentation on its Draw My CA Community online mapping tool.
- Action Items**
- A. Ohana Growers - CUP Extension of Time - Project No. 693045 - Nasser Azimi, Ohana Cannabis.
For the Otay Mesa Marijuana Production Facility (MPF), Ohana proposed its corporate owned warehouse located at 2365 Marconi Court Unit E, San Diego, CA 92154.
During 2019, the tenant improvement designs were under preparation when covid-19 began to impact Ohana's progress. During December 2019 through June 2021, Ohana's ability to make progress were negatively impacted predominantly by Covid-19 and the need for a CUP Extension of Time (EOT) became apparent to protect Ohana's multi-million-dollar investments in the City of San Diego and the Otay Mesa Community. As such, a CUP EOT was filed with the City of San Diego and all issues have been resolved to the City's satisfaction since Ohana is not proposing any changes to the previously approved CUP.
 - B. ColRich's Epoca (formerly Lumina) project- Ian Morris, GroundLevel.
OMPG members are invited to be a part of creating two of Otay Mesa's newest parks: Village Central Park and Trails Park at ColRich's Epoca (formerly Lumina) project located within the Central Village Specific Plan.
