Getting Things Done: Delivering Resources and Neighborhood Improvements to District Four!

Approving the Fiscal Year 2014 Budget, which covers July 1, 2013 through June 30, 2014, was one of my first actions as your newly elected Councilmember.

On July 30th, my Council Colleagues and I passed the Appropriations Ordinance (AO), the final step in the City's 2014 Budget Process. The AO defines the legal levels at which the Mayor is allowed to control operational and capital expenditures. This Ordinance governs the upcoming financial transactions required to conduct the affairs of the City throughout Fiscal Year 2014.

You sent me to City hall to bring resources to District Four neighborhoods. I am pleased to report that I have successfully advocated for the inclusion of several key infrastructure and neighborhood improvements. With my vote, millions of dollars have been allocated toward the following District Four projects, bringing them one step closer to becoming reality:

- New Skyline Hills Branch Library
- Martin Luther King Jr. Way Promenade
- Sidewalk repair and construction: examples: Market St. and Kelton Rd.
- Bay Terraces: Parkside Greenbelt Lighting
- Webster Neighborhood Identification Sign
- Installation of City-owned street lights
- SR-94/Euclid Avenue Interchange Improvements
- South Chollas Landfill Improvements
- Holly Dr. Street Improvements
- Various Sewer & Water Group Jobs
- Oak Park Library ADA Improvements
- Kelton Rd. Pedestrian Improvements
- Undergrounding of Utility Lines: Paradise Hills and Potomac

Please note that the above list has been condensed. For a complete view of the City's approved Fiscal Year 2014 budget, please visit www.sandiego.gov/fm

PROJECT UPDATE: Promenade on Martin Luther King Street

Councilmember Cole assisted the Broadway Heights Community Council in securing \$225,000 to begin planning the construction of a promenade on Martin Luther King Street. The promenade is currently in its planning stages. The coordinated effort of Broadway Heights Community Council, the Public Works Department, and Councilmember Cole's office has allowed the project to develop successfully. A complete project plan and timetable for the construction of the promenade is expected to be released late September 2013.

Mga bagay na Nagawa: Naghahatid ng mga Resources at Mga Pagpapabuti para sa Distrito Four!

Pag-aproba sa Fiscal Taon 2014 Badyet, na sumasaklaw sa Hulyo 1, 2013 sa pamamagitan ng Hunyo 30, 2014, ay isa sa aking mga unang pagkilos bilang inyong bagong inihalal na Councilmember. Sa Hulyo 30, ako at ang aking mga Katrabahong Konsehal ay pinasa ang Ordinansa ng Appropriations (AO), ang huling hakbang sa 2014 Badyet ng Lunsod. Ang AO ang tumutukoy sa mga legal na mga antas kung saan pinapayagan ang Mayor sa pagkontrol at pagpapatakbo ng capital at mga gastusin. Itong Ordinansa ang sumasaklaw sa paparating na pampinansyal na transaksyon upang magsagawa ang mga affairs ng Lungsod sa buong Fiscal Taong 2014.

Kayo ang nagpadala sa akin sa City hall upang dalhin ang mga mapagkukunan sa Distrito Four. Natutuwa ako sa pag-ulat at patatagumpay para sa pagsasama ng ilang mga key imprastraktura at mga pagpapabuting kabayanan. Gamit ang aking boto, milyon-milyong mga dolyar na inilalaan patungo sa mga sumusunod ng Distrito 4 na mga proyekto, malapit sa pagiging katunayan:

- New Skyline Hills Branch Library
- Martin Luther King Jr. Way Promenade
- Sidewalk repair and construction: examples: Market St. and Kelton Rd.
- Bay Terraces: Parkside Greenbelt Lighting
- Webster Neighborhood Identification Sign
- Installation of City-owned street lights
- SR-94/Euclid Avenue Interchange Improvements
- South Chollas Landfill Improvements
- Holly Dr. Street Improvements
- Various Sewer & Water Group Jobs
- Oak Park Library ADA Improvements
- Kelton Rd. Pedestrian Improvements
- Undergrounding of Utility Lines: Paradise Hills and Potomac

Mensaje de parte de Myrtle

La entrega de Recursos y mejoras de las vecindades del Distrito Cuatro!

Aprobando el Presupuesto del Año Fiscal 2014, que abarca 01 de julio 2013 al 30 de junio de 2014, fue una de mis primeras acciones como el Concejal Elegido.

El 30 de julio, mis colegas del Consejo y yo pasamos la Ordenanza de Apropiaciones (AO), el paso final en el Proceso del Presupuesto de la Ciudad 2014. El AO definen los niveles legales en que está permitida la Alcaldía para controlar los gastos operativos y de capital. Esta Ordenanza regula las próximas transacciones financieras necesarias para llevar a cabo los asuntos de la ciudad durante todo el año fiscal 2014.

Ustedes me enviaron al Ayuntamiento del Cuarto Distrito para traer recursos a la vecindad. Es un placer informarle de que he defendido con éxito la inclusión de varias infraestructuras claves y mejoras en el vecindario. Con mi voto, millones de dólares se han asignado a los siguientes proyectos del Cuarto Distrito, llevándolos un paso más cerca de convertirse en realidad:

- Nueva Biblioteca Skyline Hills
- El Embellecimiento de la Avenida Martin Luther King Jr.
- Construcción y Reparación de banqueta: ejemplos: Calle Market y Calle Kelton
- Iluminación de luces de Bay Terraces:
- Rotulo de identificación para la vecindad de Webster
- Instalación de luces para las calles que son propiedad de la ciudad
- Intercambiar la Mejora de SR-94/Avenida Euclid
- Mejoraría del vertedero de basura en Chollas Sur
- La mejoraría de la Calle Holly
- Varias alcantarillas & Empleos de grupos de echar agua
- Mejoraría de Biblioteca Oak Park
- Mejoraría de peatones en la Calle Kelton
- Líneas de Utilidades: Paradise Hills y Potomac
