**Raising Awareness of Juneteenth**

**“We acknowledge the African American Spirit and pay tribute to the roles and contributions which have enriched our society.”**

© JUNETEENTH.com ALL rights reserved.

Juneteenth is the oldest known celebration commemorating the ending of slavery in the United States when Union soldiers enforced the Emancipation Proclamation and freed all of the remaining slaves in Texas on June 19, 1865 – a full two and a half years after the document was originally signed. This day is an opportunity for people to celebrate freedom, equality, cultural heritage and the ideals on which the United States stands.

A range of community and private events were held to celebrate Juneteenth. These included: displays in libraries, essay & artwork competitions for our youth and presentations of community service awards.

I attended the **Cooper Family Foundation’s Annual Juneteenth Healing Our Community Celebration**. This community festival was one of nine events and programs supported by my office’s Transient Occupancy Tax (TOT) funds. The free event had an educational program, kid zone, vendors, food, cultural entertainment and more.

**Neighborhood Revitalization through Code Enforcement:** Each year the City of San Diego’s Environmental Services Department conducts special community cleanup events in neighborhoods throughout the City. Areas are selected for these events based upon citizen requests, pledges of community involvement and previous citizen participation levels. Community cleanups were conducted in Encanto, North Encanto, and Lomita Village. These successful cleanups removed a total of 80 tons of waste from our neighborhoods. Please feel free to call Solid Waste Code Enforcement Officer Michael Flores at (858) 627-3314 if there are any questions regarding these events.
- 
**REMINDER DROUGHT CONDITIONS:** Water Conservation “Library” of fact sheets are available on the City’s web site. These fact sheets include: [Do It Yourself Home Water Survey](#) - Information on how to check for leaks and water waste; [Planning for the Future](#) - Details on plans to make San Diego more water independent; [Frequently Asked Questions](#) - Answers to the most often asked questions about the drought and water restrictions; [Water Use Restrictions](#) - Details on current water use restrictions in the City; [Outdoor Irrigation](#) - Information about how to reduce outdoor water irrigation; [Water Use Enforcement](#) - Specifics on how the City is enforcing water restrictions and the penalties. Juneteenth Celebration at George Stevens Senior Center

**Prayer Vigil at Bethel A.M.E. Church (San Diego):** During a recent prayer vigil with local clergy, activists and community members, Councilmember Cole joined the nation in mourning the nine (9) Charleston, SC shooting victims. At a weekly bible study at the historical Emanuel African Methodist Episcopal Church, a shooter motivated by hate, massacred the nine - including State Senator Pastor Clementa Pinckney. The shooting, that stunned a nation, has sparked a national conversation on gun control and race relations.

**Zena Canyon:** This urban canyon, located in the Fourth Council District, received a little facelift this week with nice new fencing paid for, in part, by the Council Office. We take pride in our stewardship of our neighborhood canyon and its aesthetic value and habitat.
