## Happy Independence Day

In a few days, our nation will celebrate its 239<sup>th</sup> birthday. I am honored to be your Councilmember - to be representing the Fourth Council District - the best district in the City of San Diego. We are working to attract people to live, work, and visit our neighborhoods. We are also working hard to attract businesses to invest, grow, and prosper in our communities.

As we celebrate this hallmark holiday of freedom and democracy, let's not forget the recent events that have tried to challenge our freedom to worship, our freedom of speech, and the very ideals we hold near and dear to our hearts. Let us pause to also remember the brave men and women who have served this nation and defended our freedom because we know that "freedom isn't free." San Diego is a destination place with plenty of exciting ways to celebrate this holiday. ## Chollas Triangle General Plan Amendment and Rezone

On Tuesday, my Council Colleagues and I unanimously approved this amendment that will allow property within the Chollas Triangle to be re-designated and/or re-zoned for Neighborhood Village - Park and Open Space uses. This process involved significant community input in establishing the vision for the area.

The hope for our community is that this will be an active neighborhood village with a mixture of residential, commercial, and recreational uses. In addition, it is envisioned that this open space system and development pattern will connect the adjacent neighborhood to and through Chollas Triangle. This is great news for us!
