

CITY OF SAN DIEGO

OFFICE OF
COUNCILMAN ANTHONY YOUNG
CHAIRMAN, COMMITTEE ON BUDGET AND FINANCE
DISTRICT FOUR

FEBRUARY 12, 2009 WEEKLY UPDATE

Join me in proudly celebrating February 2009 Black History Month.

COUNCIL ACTIONS:

“San Diego Speaks” is for you! In recognition of the City’s budget deficit of over \$50 million in 2009 and if economic trends continue, over \$100 million in 2010, I called for the public to come before the Budget and Finance Committee and tell the City Council what city services are a priority to you, what ideas you have for cost savings in city services, what city services you could possibly do with less of, and what city services you may be willing to pay for. Please join me, City Council members and Mayor Sanders on Saturday February 14, 2009 at 9:00 a.m. in the Mira Mesa Library located at 8405 New Salem Street in Mira Mesa. I look forward to hearing your suggestions and recommendations. Please visit www.sandiego.gov/budgetandfinance for additional information on community meetings being held near you and to take the San Diego Speaks Survey on City budget priorities. You can also call the San Diego Speaks Hotline at (619) 236-6934 and make your recommendations.

On February 3, 2009 the San Diego City Council approved my recommendation for financing the rehabilitation of the Golden Age Gardens Apartment Complex on 36th Street. The owners, the Amerland Group, will spend over \$10 million to update the 76 unit affordable senior living building. The rehabilitation will include roofing, air conditioning replacements and painting. At my insistence, the developer will outreach to and hire local area contractors, laborers and businesses to complete the rehabilitation. If interested, contact Mr. George Jordan at 619-807-5942 for additional information on the project.

On February 3, 2009 the San Diego City Council approved my recommendation requesting grant funding for six (6) Redevelopment Agency Capital Projects in the Mount Hope and Central Imperial Redevelopment Project Areas. The application is for the San Diego Association of Governments' (SANDAG), Smart Growth Incentive Program. This program is a competitive grant program to fund transportation-related infrastructure improvements and planning activities. If we are successful in our grant proposal, funding will help better coordinate transportation and land use development in the 4th District.

STREET SWEEPING INFORMATION

Street Sweeping provides two primary benefits to the City. The more obvious benefit is the collection and removal of paper, leaves, and other visible debris that collect in the gutters. This debris can block storm water facilities, causing localized flooding during heavy rains. An equally important, but less visible benefit is the removal of metal particles and other hazardous waste products left by passing vehicles. For more information regarding Street Sweeping please call (619) 527-3482 or visit www.sandiego.gov/street-div/strsweep.shtml.

BOARDS & COMMISSIONS:

“Everybody can be great because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love.”

—Dr. Martin Luther King

An opportunity for you to volunteer your services exists with the many City of San Diego Boards and Commissions. Please visit the City's web site at www.sandiego.gov and view the many boards and commissions available for you to possibly serve on. You will find that several members' terms are expiring, who is responsible for nominating and appointing members, and what the terms and requirements for service are. Please call Benelia Santos-Hunter at 236-6644 if you are interested in serving as a 4th District representative on a particular Board and/or Commission.

The San Diego Youth Commission is searching for two District Four youth ages 14-22 to sit on their board as Commissioners! Commissioners advise and provide recommendations to the City Council on pertinent issues to youths. The San Diego Youth Commission offers youths the opportunity to see first hand how government works and it allows youths to represent themselves and their peers in a positive manner.
