<b>Council District:</b> 4	<b>Priority Score:</b> 84

<b>Project Status:</b> Released	<b>Contact Information:</b> Meinhardt, Cynthia
<b>Duration:</b> 2010 - 2012	619-533-5259
<b>Improv Type:</b> Betterment	cmeinhardt@sandiego.gov

**Description:** This project allows for the expansion of the existing vehicle fitting facility located at the Chollas Operations Yard. The expansion will increase the facility from one service bay to six service bays and will include office space. The project will also provide equipment necessary for operations.

**Justification:** The fitting facility is responsible for outfitting new vehicles and placing them into service as well as preparing retired vehicles for auction. With the consolidation of the fleet to include Police and Fire vehicles, the workload has significantly increased. Additionally, as part of the fleet consolidation, the repair facility located at 20th and B was closed. The vehicles serviced at that location as well as the personnel were transferred to the repair facility at the Chollas Operations Yard. The existing building does not have sufficient space to accommodate the personnel.

**Operating Budget Impact:** None.

**Relationship to General and Community Plans:** This project is consistent with the Southeastern (Encanto Neighborhoods) Community Plan and is in conformance with the City's General Plan.

**Schedule:** Construction is scheduled to begin in Fiscal Year 2012 and is anticipated to be completed in Fiscal Year 2013.

**Summary of Project Changes:** The schedule was revised to reflect actual project milestones. \$175,000 in Equipment Division CIP funding has been allocated to this project for Fiscal Year 2012 and is now fully funded.
