

# SAN DIEGO PUBLIC LIBRARY PATHFINDER REBUILDING AND REPAIRING YOUR HOME AFTER A FIRE

This year's firestorm damaged or destroyed thousands of homes in the San Diego area. This *Pathfinder* lists a selection of resources available at the San Diego Public Library and on the Internet for people who are rebuilding or repairing their homes.

San Diego County's *Emergency Homepage* has a collection of links to fire-related topics and agencies which are assisting fire victims.

<http://www.sdcountyemergency.com>

## The Library Catalog

To locate books on topics included in this *Pathfinder*, search the Library Catalog by *Subject* or *Keyword*. Relevant subject headings include:

[insurance](#), [architecture](#), [dwellings](#), [house construction](#), [landscape architecture](#), [interior decoration](#), [building and contractors](#).

<http://www.sandiegolibrary.org>

## Magazine Articles

Search the [MasterFILE Premier](#) database for articles on home remodeling, decorating, gardening and other topics. You may search by *keyword* using the same terms you used to search the Library Catalog.

Many articles are full-text on the database. Search the [Magazines and Journals List](#) on the Library Web site to see if the Library offers access to a magazine you want to see: many titles are available online.

## RESOURCES

### Fire Safety

**CalFire (California Department of Forestry and Fire Protection)** - Information on making your home fire safe, emergency preparedness, links to local assistance centers.
