Officer Liufau also said that in general, no RV's are allowed on city streets between 2 a.m. and 6 a.m. During the day, if an RV is more than 27 feet long and parked too close to an intersection, it can also be cited. Any vehicle parked more on the city streets more than 72 hours can also be cited.
    2. She urged citizens to use the City of San Diego Get It Done app if they have any concerns about neighborhood issues.
