### **The Zoom Application**

Downloading the Zoom application to your device provides for the best results. You can register for free. If you are unable to download and run the Zoom application for this meeting, you can choose “Join from your web browser” upon joining the meeting, which does not require downloading any plugins or software. Google Chrome is the recommended web browser.

The participants button is at the bottom center of the Zoom video screen. Use this button to get both a list of participants and to expose the “Raise Hands” feature at the bottom.

### **Meeting Guidelines**

Meeting participants will initially be admitted into the meeting “waiting room.” The Chair or staff will move participants from there to the meeting itself. When entering the meeting, all participants will be muted. Leave your device muted during the meeting unless acknowledged to speak. This helps keep extraneous background sounds from interfering with the meeting. When finished, click the speaker symbol by your name to mute your microphone.
