13. Other unique event feature not covered above? Survivors of Suicide Loss is requesting a date change from our walk date in November to September 8, 2019. We have held our walk on the 2nd Sunday in November for 12 years. Due to a number of factors, that date is no longer feasible. We are requesting a date change to coincide with National Suicide Prevention week (9/8/19-9/14/19). San Diego County holds a number of events during Suicide Prevention Week to bring attention to this public health issue. The Walk in Remembrance with Hope would be a great way to start this week. We would like this to be a permanent change to always coincide with National Suicide prevention week which is the 2nd week of September. This event provides an opportunity for the San Diego community to participate and learn about this important public health issue. Our walk brings hope and healing to families that have lost loved ones to suicide as well hope to those who struggle with wanting to take their lives.
