

Young Art: Outside the Frame

Utility Box Beautification Partnership

San Diego Museum of Art *Young Art* Program

- Biennial student exhibition *Young Art* is in its 46th year, making it SDMA's longest running program (spanning 90 years)
- Juried exhibition of artwork from San Diego County students (grades K – 12th)
- Theme of *Young Art 2021* is the environment and sustainability
- Learn more here: <https://www.sdmart.org/young-art/>

BALBOA PARK
THE SAN DIEGO
MUSEUM OF ART

SDMA and SDG&E Partnership

Young Art: Outside the Frame

- Builds on *Young Art 2021* effort, but takes exhibition out of the galleries and into the streets
- Professional artists interpret 25 *Young Art* student works on utility boxes
- Creates biking/driving tour with route that leads from Balboa Park to Chicano Park (utility boxes on Park Blvd, Newton Ave, National Ave and cross streets)
- Partnership with Mindful Murals to engage professional artists and provide them stipend to support their involvement on this project
- Timeline: Gallery exhibition runs March 26-May 9, also viewable online. All utility boxes painted by March 22.
