

KEARNY MESA COMMUNITY PLAN

APPENDIX A

Planned Public Facilities
November 2020

Community plans work together with the General Plan to provide policies and recommendations for community facilities and infrastructure in the City's community planning areas. Policies in both the General Plan and Community Plan address public safety and health and the facilities needed for the Community Plan's projected population. To serve Kearny Mesa's existing needs and accommodate growth, public facilities and services need to be prioritized, financed, and developed within the community. This appendix has been prepared for the Kearny Mesa Community Plan and Mobility Technical Report available at this link:

<https://www.sandiego.gov/planning/community/profiles/kearnymesa/plan>. The Mobility Technical Report prepared for the Kearny Mesa Community Plan Update provides concepts and additional explanation of the planned network and related projects.

The table below summarizes the planned projects that are needed to implement the goals of the Kearny Mesa Community Plan and support the community as growth occurs. The list has been compiled from the Mobility, Urban Design, Parks, Recreation, and Open Space, and Public Facilities, Services, and Safety sections of the Community Plan. Projects may be those that serve the needs of the community while others may be shared or citywide facilities benefitting the public and include but are not limited to mobility, parks and recreation, and fire-rescue. To remain responsive to community and City needs, and in line with best practices related to sustainability, public services, and healthy communities, the projects in this appendix may be prioritized, updated, and revised when necessary.

Projects and public improvements described in the Community Plan include new and upgraded facilities and therefore vary in their scope and cost. The projects also vary in regards to implementation, with some to be scheduled as street maintenance or as development occurs and/or through the collection of appropriate fees, and others to be implemented incrementally through programs, such as the City's Capital Improvement Program (CIP) or upon capital funding from city, state, regional, and federal agencies. Still, some projects will require cooperation and collaboration of City departments in conjunction with private sector developers and partnerships with public agencies.

It should be noted that additional projects may be proposed for Kearny Mesa and implemented as part of development projects, capital improvements, or as part of Citywide efforts and as required by state and federal mandates. Additional projects not individually listed in this appendix can also include projects related to climate resiliency planning, storm water improvements, freeway access improvements, and active transportation facilities, including but not limited to those required by the City of San Diego Street Design Manual (e.g., curb ramps, sidewalks with landscaped parkways, pavement markings, crossings) and those required for compliance with Americans with Disabilities Act (ADA) accessibility guidelines (e.g., audible pedestrian signals). The City of San Diego Street Design Manual establishes guidelines to carry out the City's street design functions and provides an explanation of roadway designs and applicable components. The Street Design Manual can be accessed at this link:

<https://www.sandiego.gov/planning/programs/transportation/library/stdesign>. Also, at project-level implementation of proposed facilities and infrastructure would have to be designed to meet City standards and to the satisfaction of the City of San Diego City Engineer. Additionally, dedication of additional right-of-way for noncontiguous sidewalks and wider parkway area in accordance to the City's Street Design Manual would occur at the project-level.

Name or Category ¹	Description
F-1: Fire Station 28	Replacement / expansion of Fire Stations 28

F-2: Fire Station 36	Replacement / expansion of Fire Station 36
F-3: Fire Air Operations Facility	Expansion of the Fire Air Operations Facility at Montgomery Field
F-4: Emergency Command and Dispatch Center	Expansion of the Emergency Command and Dispatch Center
F-5: Fire/Police Joint Use Training Facility	Establishment of a Fire/Police Joint Use Training Facility
P-1: Hickman Field Athletic Area - Recreation Building	Recreation building per approved General Development Permit (GDP)
P-2: North Murphy Canyon Rec Center Aquatics Facilities	Conversion to public use and joint-use facility for recreation/athletics use if Police Department discontinues occupancy
P-3: Hickman Athletic Field - Community Swimming Pool	Community swimming pool per approved GDP
P-4: North Murphy Canyon Aquatic Center Community Parks	Conversion to public use and aquatics center use if Police Department discontinues occupancy
P-5: Hickman Field	Picnic areas, children’s play areas, and phased improvements per approved GDP
P-6: Kearny Mesa Community Park	Development of amenities such as hardcourts, children's play area, open play areas, picnic area and shelter, expanded off-leash dog facilities and other facilities
P-7: North Murphy Canyon Community Park	Conversion to public use and public park use if Police Department discontinues occupancy
P-8: South Murphy Canyon Community Park Neighborhood Parks	Park or recreation facility if the site is considered for public use and/or redevelopment
P-9: Hickman West Neighborhood Park	On-site park facilities in conjunction with any redevelopment of the site
P-10: Aero Promenade Mini Parks	Park and recreation facilities on right-of-way between Kearny Villa Road and Afton Road
P-11: Centrum Park	Existing 2.0-acre mini park
P-12: Nature Discovery Park	Native plantings and passive park improvements on City-owned site
P-13: Aero Park	Park development on the western portion of City-owned land along the Aero Promenade
P-14: Opportunity Trail Parks	Public plazas, paseos, or linear parks on private property or as dedicated park lands
P-15: Convoy Park Link Parks	Public plazas, paseos, or linear parks on private property or as dedicated park lands

P-16: Aero Promenade Parks	Public plazas, paseos, or linear parks on private property or as dedicated park lands
P-17: JH Kearny Mini Park	Public plazas, paseos, or linear parks on private property or as dedicated park lands
P-18: Murphy Canyon Linear Park	Linear park
P-19: Bamboo Grove Park	Linear Park
P-20: National University Green Pocket Parks / Plazas	Privately-owned public park
P-21: Airport View Pocket Park	Linear Park
P-22: Opportunity Trail "A"	1/4-mile trail
P-23: Opportunity Trail "B"	Privately-owned public paseo-park
P-24: Othello Bridge Park	Park at the bridge landing
P-25: Paseo to Cabrillo Heights Park Trails, Joint-Use Parks & Other Recreation Facilities	Privately-owned public paseo-park
P-26: Centrum Park Jogging Trail	Linear jogging path on private property per approved GDP
P-27: New School Park	Joint-use facility in conjunction with establishing new elementary school(s)
P-28: Murphy Canyon Bike Path Trailhead	Trail staging area park on City-owned parcel
P-29: Historic 395 Trailhead/Loop	Trail and staging area
P-30: Canyon Trail	Trail and staging area
P-31: Ruffin Canyon Overlook Private Parks	Trail and passive park facilities
P-32: Easting Park & Toby Wells YMCA	Existing private park
P-33: ResMed Passive Park	Private use and passive recreation trails
P-34: Stone Crest Village Trail & Park	Privately maintained park and recreation center and trails
M-1: Urban Pathways	Urban pathways are designed as wide sidewalks that provide connections within the urban village areas at the locations listed below. For segments, where a Class 1 multi-use path is proposed under the planned bicycle network (refer to M-3), the urban pathway may replace the installation of the multi-use path where they overlap. Ruffin Technology Cluster/Airport Loop

	<ul style="list-style-type: none"> • South side of Balboa Avenue from Kearny Villa Road to Ruffin Road • West side of Ruffin Road from Farnham Street to Lightwave Avenue • West side of Ruffin Road from Lightwave Avenue to Aero drive <p>Aero Drive Village/Aero Promenade</p> <ul style="list-style-type: none"> • South side of Aero Drive from Convoy Street to West Canyon Avenue <p>Clairemont Mesa Boulevard Village/Opportunity Trails</p> <ul style="list-style-type: none"> • North and south sides of Clairemont Mesa Boulevard from Shawline Street to Ruffin Road • North side of Lightwave Avenue from Kearny Villa Road to Ruffin Road • East side of Kearny Villa Road from Lightwave Avenue to Clairemont Mesa Boulevard • North side of Ronson Road from Shawline Street to Ronson Court • East and west sides of Shawline Street from Convoy Court to Ronson Road • North and south sides of Raytheon Road from Ruffner Street to Convoy Street • East and west sides of Industrial Park Drive and Ronson Court and between Industrial Park Drive and Ronson Court • South side of Convoy Court from Hickman Field Drive to Industrial Park Way <p>Convoy Corridor Village/Park Link</p> <ul style="list-style-type: none"> • East and west sides of Convoy Street from Convoy Court to Kearny Mesa Road • East side of Ruffner Street from Copley Park Place to south of intersection of Balboa Avenue • South side of Copley Park Place from Ruffner Street to Convoy Street
<p>M-2: Pedestrian Improvements</p>	<p>Corridors and District route types include pedestrian treatments including, but not limited to, walkways greater than five feet, pedestrian actuated traffic control signals, bulb outs, and pedestrian scale lighting and furnishings, along the following proposed Corridor and District roadway segments:</p> <ul style="list-style-type: none"> • Clairemont Mesa Boulevard, from Shawline Street to Kearny Mesa Road; from Kearny Villa Road to Ruffin Road • Spectrum Center Boulevard, from Kearny Villa Road to Paramount Drive • Balboa Avenue, from Convoy Street to Mercury Street • Armour Street, from Convoy Street to Kearny Mesa Road • Aero Drive, from Kearny Villa Road to Sandroock Road; from West Canyon Avenue to Murphy Canyon Road • Kearny Villa Road, from Clairemont Mesa Boulevard to Lightwave Avenue/Ruffin Court • Mercury Street, from Engineer Road to Armour Street • Murphy Canyon Road, from Aero Drive to Stonecrest Boulevard

	<ul style="list-style-type: none"> • Convoy Street, from Convoy Court to Aero Drive <p>Lead pedestrian intervals (LPI) provide pedestrians a head start when entering an intersection and reinforce their right-of-way over turning vehicles. It is assumed that pedestrian countdown signal upgrades would occur in conjunction with LPI implementation. Facilities may include, but are not limited to, the following locations (all legs, unless otherwise noted):</p> <ul style="list-style-type: none"> • Convoy Street and Convoy Court • Shawline Street and Clairemont Mesa Boulevard (north, south, east legs) • Ruffner Street and Clairemont Mesa Boulevard • Convoy Street and Clairemont Mesa Boulevard • Mercury Street and Clairemont Mesa Boulevard • Kearny Mesa Road and Clairemont Mesa Boulevard (north, south, west legs) • Kearny Villa Road and Clairemont Mesa Boulevard (north, south, east legs) • Complex Drive and Clairemont Mesa Boulevard • Overland Avenue and Clairemont Mesa Boulevard • Convoy Street and Ronson Road • Ruffin Road and Lightwave Avenue/Ruffin Court • Convoy Street and Engineer Road • Mercury Street and Engineer Road • Ruffner Street and Balboa Avenue • Convoy Street and Balboa Avenue • Mercury Street and Balboa Avenue • Convoy Street and Armour Street • Mercury Street and Armour Street • Convoy Street and Othello Avenue • Convoy Street and Ostrow Street/Kearny Mesa Road • Aero Court and Aero Drive (north, south, east legs) • Afton Road/Glenn H. Curtiss Road and Aero Drive (south, east legs) • Broadstone Driveway and Aero Drive (south, east legs) • Sandrock Road/John J. Montgomery Drive and Aero Drive • West Canyon Avenue and Aero Drive (south, east legs) • Murphy Canyon Road and Aero Drive (north, south, west legs) <p>Sidewalk facilities would be implemented along new roadways and segments where missing sidewalks have been identified at locations including, but not limited to:</p> <ul style="list-style-type: none"> • Convoy Street, from SR52 EB Ramps to Copley Park Place (east side and portions of west side) • Convoy Street, from Copley Park Place to approximately 150 feet south of Copley Park Place (east side)

--	--

<p>M-4: Transit Priority Measures</p>	<p>Measures to give transit priority at intersections (e.g., transit signal priority, queue jump lanes, and transit only lanes, or shared transit/right-turn lanes) along the following roadway segments:</p> <ul style="list-style-type: none"> • Clairemont Mesa Boulevard (SMART Corridor) throughout the entire community planning area • Balboa Avenue (SMART Corridor) between I-805 NB and SR 163 SB Ramps • Balboa Avenue between SR 163 SB Ramps and I-15 NB Ramps • Aero Drive between Convoy Road and I-15 NB Ramps • Convoy Street between SR 52 WB Ramps and Aero Drive • Ruffin Road between Chesapeake Drive and Aero Drive
<p>M-5: Roadway Improvements</p>	<p>Roadway modifications to accommodate transit and multimodal improvements within the public right-of-way (refer to M-3 and M-4) includes Sustainable Mobility for Adaptable and Reliable Transportation (SMART) Corridors, where roadway space along certain major roadways are repurposed for transit and other congestion reducing strategies and technologies. Roadway reclassifications and modifications at the following segments:</p> <ul style="list-style-type: none"> • Balboa Avenue from I-805 NB On-ramp to SR163 SB On-ramp – Reclassify this segment to a SMART Corridor • Clairemont Mesa Boulevard from I-805 NB On-ramp to I-15 SB On-ramp – Reclassify this segment to a SMART Corridor • Copley Park Place from Copley Drive to Convoy Street – Reclassify this segment to a 2-Lane Collector with two-way left-turn lane (TWLTL) • Daley Center Drive from Aero Drive to Stonecrest Boulevard – Reclassify this segment to a 2-Lane Collector without TWLTL • Kearny Mesa Road from Armour Street to Convoy Street – Reclassify this segment to a 3-Lane collector (2 southbound and 1 northbound) with TWLTL • Kearny Villa Road, from Ruffin Road to Chesapeake Drive –Reclassify this segment to a 4-Lane Collector without TWLTL • Kearny Villa Road from Chesapeake Drive to Clairemont Mesa Boulevard – Reclassify this segment to a 4-Lane Major Arterial • Tech Way from Kearny Villa Road to Overland Avenue – Reclassify this segment to a 2-Lane Collector with TWLTL • Murphy Canyon Road from 1,300 feet south of Balboa Avenue Overcrossing to 1,600 feet north of Aero Drive – Reclassify this segment to a 3-Lane Collector with no median (2 northbound lanes and 1 southbound lane) • Ronson Road from Shawline Street to Ruffner Street – Reclassify this segment to 2-Lane Collector without TWLTL

	<ul style="list-style-type: none"> • Ruffner Street south of Balboa Avenue – Remove this segment by truncating the 2-Lane Collector of Ruffner Street segment south of Balboa Avenue at the existing driveway <p>Intersection modifications to include roadway configuration, signal modification, and/or new traffic control at the following locations:</p> <ul style="list-style-type: none"> • Kearny Villa Road and SR 52 WB Ramps • Ruffin Road and Chesapeake Drive • Convoy Street and Convoy Court • Shawline Street and Clairemont Mesa Boulevard • Ruffner Street and Clairemont Mesa Boulevard • Convoy Street and Clairemont Mesa Boulevard • Mercury Street and Clairemont Mesa Boulevard • Industrial Park Driveway and Clairemont Mesa Boulevard • Kearny Mesa Road and Clairemont Mesa Boulevard • SR 163 SB On-ramp/SR 163 SB Off-ramp and Clairemont Mesa Boulevard • SR 163 NB Off-ramp/SR 163 NB On-ramp and Clairemont Mesa Boulevard • Kearny Villa Road and Clairemont Mesa Boulevard • Complex Drive and Clairemont Mesa Boulevard • Overland Avenue and Clairemont Mesa Boulevard • Ruffin Road and Farnham Street • Ruffin Road and Clairemont Mesa Boulevard • Murphy Canyon Road and Clairemont Mesa Boulevard • Mercury Street and Engineer Road • Ruffner Street and Balboa Avenue (new traffic control: signal) • Convoy Street and Balboa Avenue • Mercury Street and Balboa Avenue • Kearny Villa Road and Balboa Avenue • Ruffin Road and Balboa Avenue • Viewridge Avenue and Balboa Avenue • Mercury Street/Kearny Mesa Road and Armour Street/SR 163 SB Ramps • Ruffin Road and Ridgehaven Court • Kearny Villa Road and Aero Drive • Sandrock Road/John J Montgomery Drive and Aero Drive • Daley Center Drive/Ruffin Road and Aero Drive • Daley Center Drive and Granite Ridge Drive
--	--

Notes: 1 "F" refers to existing and planned police and fire facilities. Kearny Mesa is served by the Serra Mesa-Kearny Mesa Branch Library. No future library facilities are included at the time of the Community Plan preparation. If added over time, "L" would refer to projects involving planned library facilities; "P" refers to existing and planned park and recreational facilities; and "M" refers to planned mobility facilities. 2 Class I Multi-Use Paths are designed for the exclusive use of bicycles and pedestrians and completely separated from the right-of-way; Class II Bike Lanes are striped and buffered lanes in the right-of-way designated for the exclusive or semi-exclusive use of bicycles; Class III Bike Routes provide shared use of traffic lanes with cyclists and motor vehicles, sometimes identified as sharrows; and Class IV Cycle Tracks are lanes designated exclusively for one-way or two-way bicycle travel that are physically protected from vehicular traffic.
