SUMMARY

<u>Issue:</u> Should the Hearing Officer approve a Conditional Use Permit to allow a Medical Marijuana Consumer Cooperative (MMCC) to operate in a 4,489 square-foot tenant space within an existing 6,025 square-foot building within the Midway/Pacific Highway Corridor Community Plan area?

Staff Recommendation: DENY Conditional Use Permit No. 1292799.

<u>Community Planning Group Recommendation</u>: On July 2, 2014, the Midway Community Planning Group voted 9-0-0 to approve the project with conditions (Attachment 10).

<u>Environmental Review</u>: This project was determined to be categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Article 19 Section 15303, New Construction or Conversion of Small Structures on March 17, 2015 (Attachment 8). An appeal of the CEQA determination was previously made and the City Council denied the CEQA appeal on June 2, 2015. The scope of the Hearing Officer's decision only includes the project, and not the environmental determination.

BACKGROUND

In 1996 the people of the State of California passed Proposition 215, the Compassionate Use Act, which allows the use of marijuana for medical purposes when recommended by a physician and excludes the patient and the primary caregiver from criminal prosecution. In 2004, Senate Bill 420, the Medical Marijuana Program Act (MMP) became law. The MMP requires the California Department of Public Health (DPH) to establish and maintain a program for the

voluntary registration of qualified medical marijuana patients and their primary caregivers through a statewide identification card system, sets possession guidelines for cardholders, and recognizes a qualified right to collective and cooperative cultivation of medical marijuana. In 2008 the California Attorney General established guidelines for Medical Marijuana Collective Operations and allowed cities to adopt and enforce laws consistent with the MMP.

On March 25, 2014 the City of San Diego adopted Ordinance No. O-20356, to implement zoning regulations for Medical Marijuana Consumer Cooperatives (MMCC). MMCC's are allowed with a Conditional Use Permit, Process 3, Hearing Officer Decision. A limit of four MMCC's per Council District (36 city-wide) was adopted in order to minimize the impact on the City and residential neighborhoods.

The proposed project is a request for a Conditional Use Permit (CUP) to operate a MMCC in a 4,489 square-foot tenant space within an existing 6,025 square-foot building located at 3500 Estudillo Street. The 0.23-acre site is in the IS-1-1 Zone, Airport Influence Area (San Diego International Airport) and Coastal Height Limitation Overlay Zone within the Midway/Pacific Highway Corridor Community Plan area.

The existing 6,025 square-foot building was developed on Lots 7-9 in 1977. The proposed MMCC would be located on the first floor of the building on lots 7-8. A portion of the building across lots 8-9, approximately 232 square feet, will be structurally separated. That portion of the building, proposed to be used as a warehouse, will be exclusively on lot 9 and not part of the MMCC. The MMCC will provide 5 on-site parking spaces with 4 additional off-street spaces with a shared parking agreement on Lot 9.

The proposed MMCC, classified as commercial services, is allowed the IS-1-1 zone within the Midway/Pacific Highway Corridor Community Plan with a CUP and is consistent with the community plan land use designation of Light Industrial.

DISCUSSION

The proposed MMCC located at 3500 Estudillo Street is proposing interior improvements that include a lobby, reception area, dispensary, secured storage area, offices and restroom. The improvements will require a ministerial building permit. The tenant improvement building permit will require compliance with the California Building Code, Plumbing Code, Mechanical Code, Electrical Code, Fire Code and all adopted referenced standards. Public improvements include dedication of additional right-of-way to provide a minimum of 10 feet curb to property line distance, a new curb ramp with truncated domes, replacement of the existing driveway with standard driveway and closure of the existing 42-foot wide driveway with two separate standard driveways.

MMCCs must comply with San Diego Municipal Code (SDMC) Section 141.0614, which requires a 1,000 foot separation, measured between property lines, from; public parks, churches, child care centers, playgrounds, libraries, minor-oriented facilities, other medical marijuana

consumer cooperatives, residential care facilities, and schools. There is also a minimum distance requirement of 100 feet from a residential zone.

New Information:

Minor-Oriented Facility - Cali Coast Elite

During the initial review process of this application staff identified a minor-oriented facility, Cali Coast Elite, located at 2004 Hancock Street, within 1,000 feet of the site. The applicant was notified that staff would be recommending denial of the project as it did not meet the distance requirement of the SDMC. Subsequently, a code enforcement case was opened for Cali Coast Elite asserting that the use, Instructional Studio, was not allowed in the IS-1-1 zone. Based on the information submitted to Code Enforcement Division (CED), staff concluded that the project could move forward with recommendation of approval, as the minor-oriented use was not allowed in the zone, and CED would be moving forward with a Civil Penalty case to cease the operation of the instructional studio.

CED recently concluded their investigation and determined that Instructional Studios are allowed in the IS-1-1 zone.

CONCLUSION

Staff is recommending denial of the project as it would fail to meet the SDMC's minimum separation requirement prohibiting MMCCs from operating within 1,000 feet of a minor-oriented facility. The proposed MMCC is not consistent with the SDMC's purpose and intent to protect public safety, does not comply with the regulations of the Land Development Code and is not located at an appropriate location.

HEARING OFFICER RESOLUTION NO. HO-CONDITIONAL USE PERMIT NO. 1292799 SUSTAINABLE THERAPEUTICS MMCC - PROJECT NO. 368302

WHEREAS, 3500 COMPANY, LLC, Owner and SUSTAINABLE THERAPEUTICS COOPERATIVE, filed an application with the City of San Diego for a permit to operate a Medical Marijuana Consumer Cooperative (MMCC) in a 4,489 square-foot tenant space within an existing 6,025 square-foot building (as described in and by reference to the denied Exhibits "A" and corresponding conditions of denial for the associated Permit No. 1292799), on portions of a 0.23-acre site;

WHEREAS, the project site is located at 3500 Estudillo Street in the IS-1-1 Zone, Airport Influence Area (San Diego International Airport) and Coastal Height Limitation Overlay Zone within the Midway/Pacific Highway Corridor Community Plan area;

WHEREAS, the project site is legally described as Lots 7-9, Block 209 of Middletown according to partition Map made by J.E. Jackson, February 13, 1998;

WHEREAS, on March 17, 2015, the City of San Diego, as Lead Agency, through the Development Services Department, made and issued an Environmental Determination that the project is exempt from the California Environmental Quality Act (CEQA) (Public Resources Code section 21000 et. seq.) under CEQA Guidelines Section 15303 (New Construction or Conversion of Small Structures); and the Environmental Determination was appealed to City Council, which heard and denied the appeal on June 2, 2015 pursuant to Resolution No. 309775;

NOW, THEREFORE, BE IT RESOLVED by the Hearing Officer of the City of San Diego as follows:

That the Hearing Officer adopts the following written Findings, dated September 16, 2015.

FINDINGS:

Conditional Use Permit Approval – Section §126.0305

1. The proposed development will not adversely affect the applicable land use plan.

The 0.23-acre site is located at 3500 Estudillo Street is in the IS-1-1 Zone, Airport Influence Area (San Diego International Airport) and Coastal Height Limitation Overlay Zone within the Midway/Pacific Highway Corridor Community Plan Area.

The site is designated Light Industrial within the Midway/Pacific Highway Corridor Community Plan. The Midway/Pacific Highway Corridor Community Plan area includes a variety of commercial uses such as retail shopping centers, discount stores, adult entertainment uses, hotels, motels, restaurants and both heavy and light industrial uses. This community portion contains little residential development. All of the surrounding parcels are in the IS-1-1 zone and the existing uses are consistent with the Light Industrial designation of the community plan. The proposed MMCC, classified as commercial services, is a compatible use for this location with a Conditional Use Permit and is consistent with the community plan, therefore will not adversely affect the applicable land use plan.

2. The proposed development will not be detrimental to the public health, safety, and welfare.

MMCCs must comply with San Diego Municipal Code (SDMC), Section 141.0614 which requires a 1,000 foot separation, measured between property lines, from; public parks, churches, child care centers, playgrounds, libraries, minor-oriented facilities, other medical marijuana consumer cooperatives, residential care facilities, and schools. There is also a minimum distance requirement of 100 feet from a residential zone. The limit of four MMCCs per Council District (36 city-wide) and the minimum distance requirements were adopted in order to minimize the impact on the City, residential neighborhoods and to avoid adverse impacts upon the health, safety and general welfare of persons patronizing, residing or working within the surrounding area.

The proposed MMCC located at 3500 Estudillo Street is within 1,000 feet of a minor-oriented facility, Cali Coast Elite located at 2004 Hancock Street. The proposed MMCC would therefore be detrimental to the public health, safety and welfare of the community.

3. The proposed development will comply with the regulations of the Land Development Code including any allowable deviations pursuant to the Land Development Code.

MMCCs must comply with San Diego Municipal Code (SDMC), Section 141.0614 which requires a 1,000 foot separation, measured between property lines, from; public parks, churches, child care centers, playgrounds, libraries, minor-oriented facilities, other medical marijuana consumer cooperatives, residential care facilities, and schools. There is also a minimum distance requirement of 100 feet from a residential zone.

The proposed MMCC located at 3500 Estudillo Street is within 1,000 feet of a minor-oriented facility, Cali Coast Elite located at 2004 Hancock Street. The proposed MMCC would therefore not comply with the regulations of the Land Development Code.

4. The proposed use is appropriate at the proposed location.

MMCCs must comply with San Diego Municipal Code (SDMC), Section 141.0614 which requires a 1,000 foot separation, measured between property lines, from; public parks, churches, child care centers, playgrounds, libraries, minor-oriented facilities, other medical marijuana consumer cooperatives, residential care facilities, and schools. There is also a minimum distance requirement of 100 feet from a residential zone.

The proposed MMCC located at 3500 Estudillo Street is within 1,000 feet of a minor-oriented facility, Cali Coast Elite located at 2004 Hancock Street. The proposed MMCC would therefore not be at an appropriate location.

BE IT FURTHER RESOLVED that, based on the findings hereinbefore adopted by the Hearing Officer, Conditional Use Permit No. 1292799 is hereby DENIED by the Hearing Officer to the referenced Owner/Permittee, in the form, exhibits, terms and conditions as set forth in Permit No. 1292799, a copy of which is attached hereto and made a part hereof.
