Title: **STORM DRAINS: EXPAND AND UPGRADE**

Department: Transportation & Storm Water

Project: T-15

Council District: 8,9

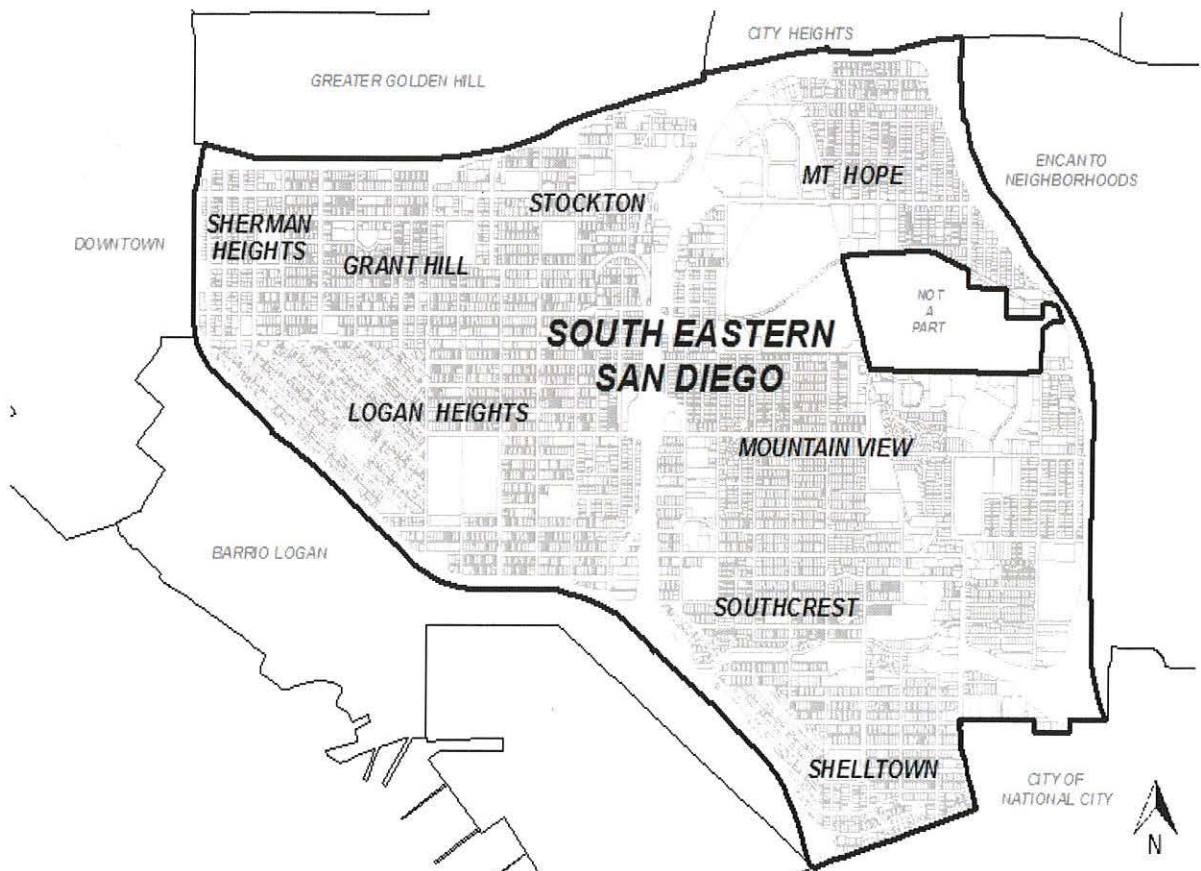

CIP/WBS #:

Community Plan: Southeastern San Diego

Description: This project will provide for the expansion and upgrades of existing inadequate storm drains and the installation of new storm drains.

Justification: This project will confine storm water runoff to the streets. It is periodically necessary to expand the existing drainage systems to prevent street drainage from overflowing onto private property. This project is consistent with the Southeastern San Diego Community Plan and General Plan Guidelines and is needed to serve the community at full buildout.

Schedule: Design and construction will be scheduled when funding is identified.

Title: **ACCESSIBILITY COMPLIANCE**

Department: Office of ADA Compliance & Accessibility

Project: T-16

Council District: 8,9

CIP/WBS #: 52-461.0 & 52-462.2

Community Plan: Southeastern San Diego

Description: This project will provide funding for American Disabilities Act (ADA) barrier removal and disability related citizens' complaints at all Southeastern San Diego public facilities. Projects may include curb ramps, accessible signals, installation of sidewalks, and other projects which will remove barriers and expand capacity.

Justification: Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA) which became effective on January 26, 1992 prohibit discrimination to all programs, activities and services provided by public entities. It applies to all state and local governments, their departments and agencies, and any other instrumentalities or special purpose districts. Removing architectural barriers guarantees equal opportunity for individuals with or without disabilities to areas of public rights of way, state and local government buildings, programs, services, activities and telecommunications. This project is consistent with the Southeastern San Diego Community Plan and the General Plan Guidelines and is needed to serve the community at full buildout.

Schedule: Projects are scheduled when funding is available.

Title: **25TH STREET WALKABLE COMMUNITY DEMONSTRATION PROJECT**

Department: Transportation & Storm Water

Project: T-17

Council District: 8,9

CIP/WBS #: 39-236.0

Community Plan: Southeastern San Diego

Description: This project provided for public streetscape improvements on 25th Street from G Street in Golden Hill to Commercial Avenue in Sherman Heights. These improvements will slow traffic, increase off-street parking, improve pedestrian safety, and enhance the walkability of this main thoroughfare. 95% of the project is located in the Southeastern San Diego Community, 5% of the project is located in the Greater Golden Hill Community.

Justification: This project improved the street and sidewalk making them safer for pedestrians. This project is consistent with the Southeastern San Diego Community Plan and the General Plan Guidelines, and was needed to serve the community at full buildout.

Schedule: This project is complete.
