Police Investigate Homicide in University Heights

San Diego – At 2:47 a.m. on May 12, 2021, the San Diego Police Communications Center received a 911 call regarding a possible shooting at Texas Street and El Cajon Boulevard. Two patrol officers in the area believed they heard possible gunshots as well and responded to the area. When the officers arrived on scene, they found a man down in a parking lot with apparent trauma to his upper body. The officers initiated CPR and the man was subsequently transported to a local hospital. Unfortunately, the man succumbed to injuries and was pronounced deceased.

Investigators from the San Diego Police Homicide Unit were called to the scene to investigate the incident. It is still very early in the investigation and little is known about the circumstances leading up to the man's death. It appears the victim was involved in some sort of disturbance with another man in the parking lot. The only suspect information we have at this time is a white male, approximately forty years old. He was last seen driving a white SUV.

The victim has been identified however, we are not releasing his name at this time. He is described as a 59 year-old Hispanic male.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
