Police Investigate Homicide In Bay Terraces

San Diego – At 5:56 p.m. on July 21, 2021, the San Diego Police Department Communications Center received a call to check a vehicle in the area of Casey Street and Appian Drive. The caller said there was a foul odor coming from the vehicle and possible bullet holes in a window. Patrol officers from Southeastern Division responded to the scene and found a deceased person inside the vehicle. They also confirmed there were apparent bullet holes in one of the vehicle's windows.

Investigators from the San Diego Police Homicide Unit were called to the scene to investigate. Very little is known about the circumstances leading to the person's death, but witnesses said a man had been living out of the vehicle for several months in that area. Residents reported hearing possible gunshots in the area within the past several days but did not see what happened.

The person inside the vehicle has not been identified at this time.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
