

November 3, 2021

Dear City of San Diego Redistricting Commissioners:

As a resident of District 6 in Mira Mesa for almost 40 years, I am in support of the approved map by the Commission on October 29, 2021, as the Final Preliminary Map.

Please keep the API population in District 6 as close to 40% or higher when the Final Map is approved.

Thank you very much for your service.

Sincerely,

A handwritten signature in blue ink that reads "Mitz Lee". The signature is written in a cursive, flowing style.
