August 30, 1916.

Mr. John F. Forward Jr.
San Diego, Calif.

Dear Mr. Forward;-

The enclosed kodak was taken near the top of the Torrey Pines grade. I think you will agree with me that it does not make very pretty park scenery. If the Park Commission will authorize me to do so, some day I will go out there and clean the place up. Then perhaps you will have signs made notifying people that it is not permitted to place advertising matter in city parks.

Yours very truly,

W. Templeton Johnson
