Board of Park Commissioners,

San Diego.

Gentlemen;-

I am very much pleased to have Mr. Pendleton's letter of Sept. 9th. and know that in the near future, the Torrey Pines Park will be restored to its natural and beautiful features.

I am so much interested in parks that if at any time I can cooperate with you in movements for park betterment, I shall be only too glad to do so.

Yours very truly,

Wm. Templeton Johnson
