

November 29th, 1916.

Mr. Clyde H. Leslie, Representative,
Automobile Club of Southern California,
c/o Chamber of Commerce, C I T Y .

Dear Sir:

Replying to your communication of November 22nd, regarding protections on Torrey Pines grade, beg to advise that this Board is taking steps, in co-operation with the Manager of Operations of the City, to have proper fencing placed at all the dangerous points on the grade at a very early date.

Very respectfully yours,

Secretary.
