

Oceanside Cal.

July 8 1917.

City Clerk San Diego.

I am advised by the
Managers of the Operating Dept.
that you are the the proper
Body for me to apply to for the
lease of lands called "Gorey Pines"
and would consider the "Juni" grove
at the Entrance of Rose Canyon.
would like a proper situation
for the sale of refreshments.
Such as Sandwiches, Chile Con Carne,
Hot Tamales, Coffee lemonade etc.
and erect a ^{small} portable. if I find
I am justified in doing, and desire
to raise in a run for a couple
of cows also if the ground has any
part "tillable" desire to cultivate
with garden and cow feed.

As I am not familiar with
the description ^{of land}, I can not designate
it by No. 100, but think I am
making it clear about what I
want. In the event you grant
me this request please let me
know your requirements and I
am sure that I can satisfy you
as to reference, as I will assure
you that I will not maintain
a nuisance of any kind for it
will really be my home.

Respectfully

M. M. Williams
