Mr. F. A. Rhodes,
Manager of Operations,
City Hall,
San Diego, Calif.

Dear Mr. Rhodes:-

I thank you very cordially for having carried the water out to the Torrey Pines. I realize the difficulty you encounter in finding money to meet the urgent calls that you have, and want you to know that we appreciate what you have done in this matter.

I want to make formal application to you to extend the water main to the edge of Miss Ellen B. Scripps' tract, so that we can pipe it from that point. I suggest that you put in a hydrant at that point, so that the pipe may be cleared. If it is necessary for me to sign any papers, advise me and I will attend to that.

Sincerely yours,

J. C. HARPER.
