Mr. T. Faulconer,
Sec'y. Park Board,
Administration Bldg.,
Balboa Park, City.

J. C. Harper - La Jolla

Dear Sir:-

Please write Mr. Harper the following letter:

At a regular meeting of the City Council, held Monday, March 27th, an ordinance was passed appropriating \$5000.00 from the Pueblo Land Fund, which sum is to be set aside for the purpose of building a lodge and comfort station on Pueblo Lot No. 1337.

This lot contains the site which has been selected and agreed upon between you and ourselves.

The ordinance becomes effective 30 days from the date mentioned at which time the money will be available.

At the same time an ordinance was proposed but not acted upon appropriating \$5000.00 from the Park Improvement Fund for the same purpose. This latter ordinance is to be passed after the Park Board receives from you and turns into the City Treasurer the \$5000.00 which you have promised the Park Board.

All difficulties are now cleared away and the matter will immediately be pushed to a successful conclusion.

It is understood of course that the plans when finally drawn for the new site will be first submitted to you for approval, but we feel sure there can be no differences of opinion on that point.

We therefore trust that you will see that this money is paid over so that the work can proceed without delay.

We wish to assure you of the sincere appreciation of Miss Scripps' generosity, not only on the part of the Park Board, but of the City Council and of all the people of San Diego. "

to be signed by you as Sec'y of Board
Yours very truly, *Board of*
