La Jolla, Calif., March 31, 1922.

Board of Park Commissioners,  
Administration Building,  
Balboa Park, San Diego, Calif.

Gentlemen:-

In accordance with your letter to me of the 28th instant, I enclose herewith Miss Scripps' check to the order of J. T. Millan, City Treasurer, for \$5,000. Please acknowledge receipt.

I suggest that it ought to be the understanding that all revenues from concessions in the Torrey Pines Park, or revenues from other sources from that Park, ought to be applied exclusively to the development of that Park. If this is agreeable to the Board, as I verbally understood it was, then I suggest the desirability of entering it in the minutes of the Board in connection with the acceptance of this gift of Miss Scripps.

Sincerely yours,

cc to EBS
