Jewett Hotel,
San Diego, Calif.

Sept, 18, 22

To MEMBERS OF PARK BOARD
of
CITY AND COUNTY OF SAN DIEGO.

Gentlemen:-

I beg to be considered as an applicant for position as
Superintendant at your Torrey Pines Station, feeling that I have
had sufficient and proper kind of experience to cover the require-
ments of place in question.

I understand that an attractive table is to be established
to allure the palate of the public, novelties to be sold and a general
good cheer to be offered the traveller.

I believe I can qualify in every particular.

I was Matron at La Jolla Dormitory Club under War C.C. Service
and give you references as to my ability, in buying, serving, and as
to my character.

Yours respectfully,

Ella L. Palmer
