

Aug. 14, 1923.

Mr. W.H. Cameron,
Superintendent Purchasing Bureau,
San Diego, California.

Dear Sir:

It is requested that the necessary steps be taken to place before the Hon. Common Council a request for a special ordinance authorizing the purchase and installation at Torrey Pines Lodge a Baker one and one quarter ton ice machine, same to be purchased in open market without advertising for bids.

If you will advise us when the documents are ready, we should like to appear before the Council and personally go into the details of the matter.

Very truly yours,

Board of Park Commissioners,

Executive Secretary.
