Mr. W. C. Crandall,
Roseland,
La Jola, Calif.

Dear Captain Crandall:

At the meeting of the Park Commission yesterday, the Torrey Pines Road situation was discussed with respect to the proposed bridge across the main canyon on the shore line route; and the board thought it would be well to discuss the subject with you and Mr. Harper.

It was, therefore, decided to invite you to attend the meeting of the board next Thursday, October 31st, at four o'clock, p. m., in this office, if convenient for you to do so.

With best regards, I remain,

Yours very truly,

A. S. Hill
Executive Secretary.
