Balboa Park
San Diego, California

Dear Mr. Hill:

We have been interested in the proceedings relating to the construction of a roadway by the City of San Diego through Torrey Pines Park, and have recently learned that Judge Haines rendered a decision restraining the City from building a highway through the Park. Would it be possible for you to furnish us with a copy of the Judge's decision on this case?

We understand that your City Attorney, Judge M. W. Conkling, is considering an appeal on the case in question and, if possible, we would also like to obtain a copy of same. I trust that it will be possible for you to furnish us with these documents, and extend sincere thanks for same.

Do you or any of the officials of your Department intend to be present at the Convention of the International Association of Park Commissioners of the Pacific Coast, to be held in Los Angeles on May 12, 13 and 14? We would be very pleased to see you during the Convention.

With kind personal regards to yourself and Mr. Morley,
I am

Very truly yours,

J. J. HASSETT,
Secretary.

Mr. J. J. Hassett, Secretary,
Department of Parks,
Los Angeles, Calif.

Dear Mr. Hassett:

Your letter of May 2nd to hand. I have delayed reply hoping to be able to get you a copy of the Haines Opinion on Torrey Pines Roadway.

I find it is a very lengthy document; and the notes being the property of the Court Reporter, the cost of obtaining copies would be very considerable. There seems to be quite a demand for the opinion; but after the excitement of the moment has subsided, copies may be had almost for the asking. I may be able to get you copy of City Attorney's Appeal and will endeavor to do so.

Morley reports a fine convention; am glad he went and wish I could have gone with him. Next time, maybe.

With best regards, I remain,

Yours very truly,

A. S. Hill
Executive Secretary.
