Mr. A. J. Connell, Director,
Los Alamos Ranch School,
Otwi, New Mexico.

Dear Sir:

This is in reference to your letter of August 5, addressed to the City Council, relative to the use of the beach at La Jolla, by colored people.

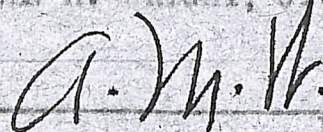

The Council feels that inasmuch as there is a place at Pacific Beach (a short distance south of La Jolla) which is and has been used by the colored people for years, any steps for setting aside a beach space for their use should originate with the colored people themselves.

The Council thanks you for your interest in the matter, which is one which will undoubtedly be solved, since there is considerable local interest on the subject.

Yours very truly,

ALLEN H. WRIGHT, City Clerk
