MEDIA ADVISORY

Honorary Street Sign Remembering Howard Wayne to be Unveiled Saturday

- WHAT:** Councilmember Raul Campillo and the Wayne family will be joined by the Linda Vista community for a ceremony to unveil a new honorary street sign in memory of former Assemblymember and Linda Vista community leader Howard Wayne. A brief speaking program will be followed by the demonstration of the new sign.
- WHO:** Raul Campillo, San Diego City Councilmember (7th District)
Mary Lundberg, widow of the late Howard Wayne
Other members of the Wayne family, including Howard Wayne's brother
- WHERE:** 1136 Morena Blvd, San Diego, CA 92110 (flyer and exact location attached)
- WHEN:** Saturday, May 25th at 11am
- WHY:** Howard Wayne, a beloved member of the Linda Vista community, passed away in November 2023. Throughout his life, Howard Wayne served as a Deputy Attorney General, State Assemblymember for the 78th District, and Chair of the Linda Vista Planning Group. As Assemblymember, one of his most important accomplishments was passing AB 411, related to coastal water-quality testing programs. The site of the street sign, located at the intersection of Morena Blvd and Buenos Ave, was chosen because Wayne was invested in the Morena Corridor Plan and because his wife lives nearby. Wayne is survived by his wife, Mary, his brother, Robert, and other members of his extended family.
