

**CONSTRUCTION NOTICE:**  
**North City Pure Water Pipeline Construction To Begin on Eastgate Mall**

May 20, 2024

During the week of May 20, the next section of construction of the City of San Diego's North City Pure Water Pipeline project will begin on Eastgate Mall.

**What to Expect:** Construction will include trenching and pipe installation, backfilling and trench restoration, as well as hauling of various materials. Pipeline construction will move northbound on Eastgate Mall, with the first section scheduled from Miramar Road to Eastgate Court.

Two-way traffic will be maintained on Eastgate Mall, and access will be maintained for businesses and emergency responders. The project team will work to minimize inconveniences associated with traffic, construction noise and staging of large construction equipment. For the safety of the community and construction crews, traffic control will be in place, including No Parking signs. Please follow all posted signage and crew member directions.

**When:** Construction is scheduled from Monday to Thursday nights, from 7 p.m. to 5 a.m. Each evening, work will begin with traffic control setup, and construction activity will begin later in the evening – around 9 p.m. Work zones will be secured and trenches will be plated after each shift to allow for normal traffic patterns during the day.

**Why:** Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The North City Pure Water Pipeline project is one of several major infrastructure projects that are part of Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Please visit [scrippsrancho.purewatersd.org](https://scrippsrancho.purewatersd.org) for more information. Please contact [purewatersd@sandiego.gov](mailto:purewatersd@sandiego.gov) or **833-MIR-PWSD (833-647-7973)** with questions about the City's Pure Water Program and the North City Pure Water Pipeline project, and a team member will get back to you within one business day.
