

Upcoming Night Work at Clairemont Drive and Balboa Avenue

May 23, 2024

Starting on Tuesday, May 28, crews will begin night work within the Clairemont Drive and Balboa Avenue intersection. Work will occur Sunday nights through Thursday nights, from 9 p.m. to 5 a.m. Crews will be preparing the area for underground work for upcoming pipeline installation. This work is being performed at night to minimize community traffic impacts through the intersection during daytime hours.

During nighttime working hours, one lane in each direction will be maintained through the intersection. During daytime hours, the intersection will be fully opened. This work is estimated to last two weeks.

Please observe any traffic control or signage in the area for your safety and the safety of the crews.
