

**CONSTRUCTION NOTICE:  
Pure Water Tunnel Construction to Begin in Rose Canyon  
for the Morena Northern Pipelines and Tunnels Project**

Starting at the end of May, construction crews will begin clearing and grading the work area on the north side of the railroad tracks for the construction of the Rose Canyon Tunnel shaft, as outlined in environmental documents for the City of San Diego Morena Northern Pipelines and Tunnels project in University City.

Once the shaft has been completed, crews will tunnel under the railroad tracks in Rose Canyon near University City High School. The Rose Canyon tunnel will connect to the receiving shaft currently under construction near Genesee Avenue and Centurion Square. Please see the map on Page 2 for details on the tunnel sites.

Working hours for this segment of tunnel work will be Monday through Friday from 7 a.m. to 5:30 p.m. Construction will continue through Fall 2024.

The City and project team are committed to completing construction as efficiently as possible with safety as our highest priority, and the community's patience and coordination are appreciated.

**What to Expect:**

- Two-way traffic on Genesee Avenue will remain.
- 24/7 access for emergency vehicles, residences and businesses will be maintained.
- For safety reasons, please follow all posted signage. Please anticipate construction impacts such as traffic delays & construction noise.

**Why:** Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Northern Pipelines and Tunnels project is one of several major water infrastructure projects in Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on [utc.purewatersd.org](http://utc.purewatersd.org). Please contact [purewatersd@sandiego.gov](mailto:purewatersd@sandiego.gov) or **833-UTC-PWSD (833-882-7973)** with questions about the City's Pure Water Program and the Morena Northern Pipelines and Tunnels project, and a team member will get back to you within one business day.
