The City of San Diego invites you to share ideas for the exterior facade of the new Fire Station 48. Please join us for a special evening discussion.

Shortlisted design-build teams for the Fire Station 48 project will be in attendance and will listen to your ideas so they may be incorporated into their conceptual designs as much as possible.

To learn more about this project, visit the project webpage at <https://www.sandiego.gov/cip/projectinfo/firestation48> or scan the QR code below.
