HOME American Rescue Plan (ARP) Allocation Plan Substantial Amendment

On March 21, 2021, the American Rescue Plan (ARP) was signed into law by the federal government, which provided over \$1.9 trillion in relief to address the continued impact of the COVID-19 pandemic on the economy, public health, state and local governments, individuals, and businesses.

Allocations for funding to qualifying jurisdictions were announced on April 8, 2021. The City of San Diego was awarded \$20,956,979 through the U.S. Department of Housing and Urban Development (HUD)'s HOME Program. In order for the City to receive the HOME-ARP funding, an Allocation Plan and Substantial Amendment to the Fiscal Year 2022 Annual Action Plan must be submitted and approved by HUD. The Allocation Plan was adopted by the City of San Diego City Council on September 21, 2022. The proposed changes to the Allocation Plan will modify the planned use of funds to (1) remove \$2,000,000 from the Acquisition and Development of Non-congregate Shelters budget line item, (2) increase the Development of Affordable Rental Housing funding amount from \$18,433,055 to \$20,192,713, and 3) transfer remaining unallocated funds to a new supportive services/homelessness outreach activity.
