
Schedule Update For Work at Clairemont Drive and Balboa Avenue

July 25, 2024

Crews are continuing to install pipeline at night within the Clairemont Drive and Balboa Avenue intersection. During working hours, 9 p.m. to 5 a.m. from Sunday night through Thursday night, detours remain in place. During non-working hours, the intersection remains open in all directions. The map graphic below illustrates the detour routes that are in effect during working hours.

The current schedule is projecting that this phase of night work will be completed during the week of August 5 - August 9. After that, crews will return to working daytime hours as they move north installing pipeline along Clairemont Drive.

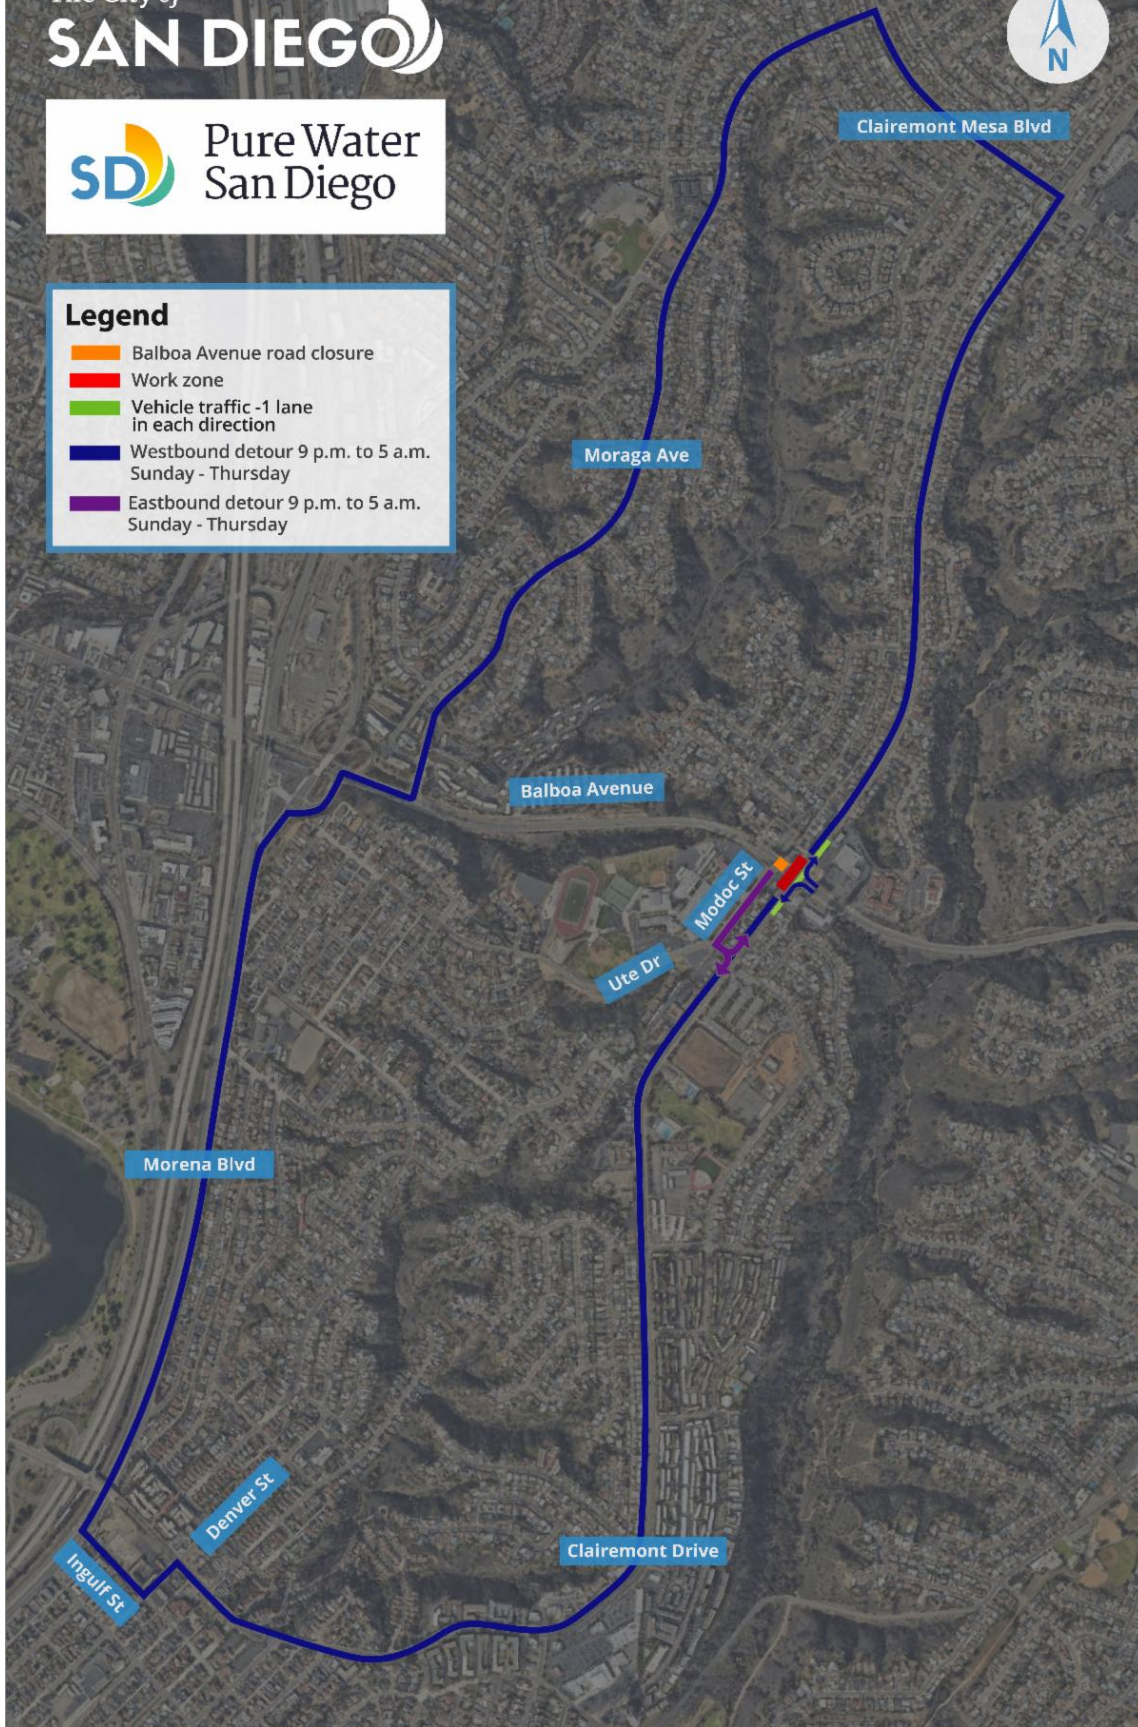

For your safety, please follow all posted signage. Please plan extra time when traveling in the area to accommodate for traffic delays, and please anticipate construction noise and overnight construction. Access for emergency vehicles will be maintained at all times.

The map below displays the detours that will be in place during working hours, 9 p.m. to 5 a.m., Sunday through Thursday.
