Memorial Day weekend is the traditional start of the summer season at our local beaches and bays. It is one of the busiest holiday weekends of the summer. To provide the maximum level of staffing for our beaches and neighborhoods, the Department will be moving to a mandatory 12 on 12 off schedule starting Saturday, **(Redacted – record exempt)** hours and ending **(Redacted – record exempt)**.

The mandatory 12-hour shifts will include all Patrol Operations, Traffic Motors and CIB, as well as the Neighborhood Policing Division. Shift hours will be as follows:

- Officers working First Watch will work **(Redacted – record exempt)**.
- Officers working Second Watch will work **(Redacted – record exempt)**
- Officers working Third Watch will work **(Redacted – record exempt)**

All second watch personnel will be assigned to Beach Command at Northern or Western Division. More information will be forthcoming on specific beach operations assignments; assigned supervisors and required equipment.

All personnel on days off are encouraged to work one of the approved overtime assignments that are available. Filling these positions will lessen the burden on Beach Command as well as overall Patrol Operations. For related overtime at Northern Division, contact **(Redacted – record exempt)**. For related overtime at Western Division, contact **(Redacted – record exempt)**

Please read at squad conferences and give a copy to all personnel.
