

Stephen Whitburn
City Councilmember, City of San Diego

Dear Neighbor,

As your city councilmember, I work tirelessly to address our community's most pressing issues head-on. I spearheaded the Unsafe Camping Ordinance to address unhealthy encampments on our sidewalks, near our schools, and in our parks while establishing safe sleeping sites to provide safer and healthier places for people to go.

To address the affordability crisis, I have championed initiatives to create more affordable housing opportunities in our city than ever before. I am also fighting exorbitant water rate hikes so you don't pay a penny more than necessary.

Moving our city forward requires vision, determination, and a steadfast commitment to progress. Rather than naysaying from the sidelines, I've rolled up my sleeves to do the hard work of bringing people together to get things done.

We cannot return to more encampments on our streets or less funding for public safety. With your help, we can build a San Diego that is a better place for everyone.

I would be honored to earn your vote.

Sincerely,

Stephen Whitburn
