Description

On November 2, 2004, the voters of the City of San Diego approved Proposition F, which changed the City's form of government from City Manager to Strong Mayor-Strong Council for a five-year trial period. Proposition F also provided that the City Council shall have the right to establish an Office of the Independent Budget Analyst (IBA) and determine the powers of the Office and its manager by ordinance. The Office of the IBA was established on January 16, 2006 consistent with Proposition F.

On June 3, 2008, voters passed Proposition C, which amended the City Charter related to the Independent Budget Analyst, Chief Financial Officer, City Auditor, City Treasurer, and Audit Committee, and made permanent the Strong Mayor-Strong Council form of government. By adding Section 39.3 to City Charter Article V, this proposition made permanent the Office of the Independent Budget Analyst regardless of the form of government.

The function of this office is explained in Charter Section 39.3 which states "[t]he Office of the Independent Budget Analyst shall provide budgetary and policy analysis for the City Council," and San Diego Municipal Code Section 22.2301 which states "[t]here is hereby created the Office of Independent Budget Analyst, a City department whose designated function is to assist the City Council in the conduct of budgetary inquiries and in the making of budgetary decisions."

For more information about the Office, please visit the Office of the Independent Budget Analyst website (<https://www.sandiego.gov/iba>).
