

**CONSTRUCTION NOTICE:  
Pipeline Work Shifts West on Nobel Drive  
for the Morena Northern Pipelines and Tunnels Project**

On **Sunday, Aug. 18**, construction crews will start a new construction phase on Nobel Drive between Lombard Place and Genesee Avenue. However, the work will stop short of the intersection of Genesee Ave. and Nobel Dr. Work in the intersection will be addressed as part of a later phase of the project.

As part of this new phase of the work, crews will continue installing one 48-inch wastewater pipeline and one 30-inch brine pipeline. This work is part of the City of San Diego's Morena Northern Pipelines and Tunnels project in University City. **Please see the map on Page 2 for details on the affected areas.**

During work hours, two-way traffic on Nobel Dr. will be maintained at all times. The traffic signal for the intersection of Nobel Dr. and Lombard Pl. will continue to be set to "flashing." Flaggers will be onsite as needed to help direct traffic. The southbound lanes of Lombard Pl. will be closed. One lane in each direction will be open in the northbound lanes of Lombard Pl. At the end of each shift, steel plates will be installed to allow cars to drive over the pipeline trench and all lanes of Lombard Pl. will be open.

Working hours for this segment will be from Monday through Friday from 7 a.m. to 5:30 p.m. and occasionally on Saturday from 9 a.m. to 5 p.m. This work will continue through Fall 2024.

**What to Expect:**

- A single lane in each direction will be open in Nobel Dr.
- A single lane in each direction will be open in Lombard Pl.
- "No parking" signs will be placed on Nobel Dr. and Lombard Pl. as needed. Parking restrictions will be enforced; please avoid parking in areas with "no parking" signs. Vehicles in violation of these signs will be towed.
- 24/7 access for emergency vehicles, residences and businesses will be maintained.
- For safety reasons, please follow all posted signage. Please anticipate traffic delays, noise and occasional overnight construction lights.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be posted on **utc.purewatersd.org**. Please contact **purewatersd@sandiego.gov** or **833-UTC-PWSD (833-882-7973)** with questions about the City's Pure Water Program and the Morena Northern Pipelines and Tunnels project. A team member will get back to you within one business day.

**Why:** Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Northern Pipelines and Tunnels project is one of several major water infrastructure projects in Phase 1 of Pure Water San Diego.
